

RELIEF FUND BEING GIVEN PROVINCES

Ontario and Alberta Have Completed Negotiations With Ottawa

THREE DELEGATIONS ARE SETTLING TERMS

Programme Being Arranged to Give Aid Where Needed Most

OTTAWA, Oct. 3.—Conferences between the Dominion and three of the provinces were held today on the subject of unemployment relief. It was expected tonight that agreements will be reached tomorrow with each of the three provinces, making five altogether that will have come to terms with the Dominion for participation under the \$20,000,000 relief scheme.

Alberta, Nova Scotia and New Brunswick were the provinces that conferred today with Senator Gordon Robertson, Minister of Labor, Ontario and Manitoba came to terms earlier in the week. In fact the agreement with the first-named province was ratified by order-in-council today.

TO START ON MONDAY

The Saskatchewan delegates, Hon. M. A. McPherson, Attorney-General, and Hon. J. A. McKelvey, Minister of Labor and Industries, left for the East and will open negotiations on Monday. Prince Edward Island also is expected to be represented here on Monday.

No definite and specific programme of works and construction will be submitted to the Dominion by Alberta, Hon. O. L. McPherson, Minister of Public Works, said tonight after his conference with Senator Robertson. Although he refused to make public the exact sum the Dominion will expend in Alberta, Mr. McPherson said it was "very nearly the same as Manitoba."

"TOO CONSERVATIVE"

Under its agreement with the Dominion, Manitoba received a total of \$1,200,000, consisting of \$800,000 for construction programmes and \$400,000 for direct relief. Earlier reports said Alberta would receive approximately \$600,000, but this figure, Mr. McPherson said, was too conservative.

B.C. SCENERY TRULY SHOWN IN FINE FILM

Grandeur and Beauty Along Highways Revealed in Striking Picture

FIRST OF SERIES WILL BE RELEASED SHORTLY

Those who were privileged to view a pre-release at the Capitol Theatre last night of a scenic film taken by Skeena, Limited, for the Bureau of Provincial Information, were not only surprised but delighted with the beautiful scenery depicted and with the artistry of the photographic production. The film, which is the first of a series of three showing the wonders along the motor highway from Vancouver to Nelson, comprised a trip from Burrard Inlet to Kamloops.

Starting with an exquisite reproduction of Vancouver's new skyline from the waterfront, showing the recently constructed skyscrapers, the picture whisks along through the Fraser Valley to Harrison Lake, and then on to Yale and through the beautiful grandeur of the Fraser Canyon to Lytton.

PHOTOGRAPHED IN COLOR

Seaton Lake and the Marble Canyon are sections of the picture that have been photographed in natural colors, this being the first occasion upon which the new processes of color photography have been attempted in British Columbia. The results are astonishingly realistic, and all the vividness of the colorings of the districts are faithfully recorded. It is in this portion of British Columbia that a famous artist recently exclaimed that the richness of the blues of the hills, the amethyst hues of the lakes and the pastel tints of the canyon walls.

Much Accomplished By League Session Now Nearing Close

Assembly Will Complete Its Work Today After Highly Productive Meetings—United States of Europe Plan Advanced—Further Steps Made in Outlawing War

Writer Reviews Matters Discussed

By JOHN GUNTHER
(Copyright, 1930, by The Chicago Daily News Foreign Service.)

GENEVA, Oct. 3.—The eleventh Assembly of the League of Nations will wind up its work tomorrow, having completed one of the most productive sessions in the past ten years. The achievements of the month's work, both in formal items of the agenda and unofficially in margin deliberations, may be summarized as follows:

May Ask Study of Standardization Of Silver Prices

VANCOUVER, Oct. 3.—The Vancouver Board of Trade has called Premier R. B. Bennett in London asking him to bring before the Imperial Conference the question of the standardization of the price of silver. This action was taken on recommendation of the mining bureau to the council of the board. British Columbia mining men in common with many miners everywhere, believe that stabilization of the price of silver would be a great boon to the mining industry as well as help to correct in a considerable degree present wide economic conditions.

SAYS TURKS MASSACRING REBEL KURDS

Jewish Agency Reports Wholesale Slaughter and Burning in Asia Minor

HUNDREDS OF TOWNS AND VILLAGES RUINED

JERUSALEM, Oct. 3.—Turkish attacks on Kurdish rebels have not ceased, Government statements to the contrary, according to reports received here by the Jewish Telegraphic Agency and the Exchange Telegraph Company. Tales of widespread massacres are generally filtered in to the news services.

The Jewish Telegraphic Agency today received reports of Turkish attacks against the Kurdish rebels in Kurdistan. These reports said that in the Zilan district 220 villages were destroyed and 4,500 Kurdish men, women and children massacred. Another report through the same agency said that in the vicinity of Julamerik, 300 villages were destroyed and 600 persons killed. A further portion of this same report said 400 villages between Agri and Penduk had been burned with incendiary shells dropped from airplanes.

The report also says that a Kurdish brigade under command of Jewad Pasha, speeded out 120 villages and killed 500 persons, while Kemal Eddin's brigade razed 300 villages between Chaldron and Schilan, massacring 390 persons.

The Jewish Telegraphic Agency says that there is no immediate way of checking the accuracy of this report, but the account appears to be sufficiently circumstantial to warrant close inquiry.

The Heydoun, which is the Kurds' name for their revolutionary committee, and which is responsible for the figures, states that the rebellion is far from suppressed.

ST. LOUIS, Oct. 3.—The French transatlantic flyers, Major Dieudonne Coste and Lieutenant Maurice Bellonte, visited the home city of Colonel Charles A. Lindbergh today and viewed the trophies presented to the man who made the first solo nonstop flight across the Atlantic.

REAL ESTATE VALUES SHOW BIG INCREASE

Taxable Improvements in Victoria Gain \$2,245,950 During Year

DETAILS ARE ISSUED OF CITY ASSESSMENT

Showing a net increase of more than \$2,250,000 for 1931 over 1930, Victoria's total taxable assessment has reached a total of \$50,145,334, as against \$47,894,180 for 1930, an actual increase in the assessment of \$2,251,154.

The increase in the assessment, based on the 1930 tax rate of 40.3 mills, would yield between \$28,000 and \$30,000 more revenue, it is stated, and indicates a very healthy condition and a steady progress in the building industry, as the greater part of the increase is attributed to improvements made on properties.

FIGURES ARE GIVEN

Assessment figures are divided as follows:

Gross lands \$31,938,114, compared with \$31,718,870 in 1930, a gain of \$221,244.

Gross improvements \$47,910,660, as compared with \$45,611,510 last year, an increase of \$2,299,150.

Total gross assessment—1931, \$79,848,774; 1930, \$77,329,380; an increase of \$2,519,394.

Land exemptions—1931, \$6,575,240; 1930, \$6,455,200; a gain of \$120,040.

Exemptions on improvements—1931, \$14,128,200; 1930, \$14,075,000; increase of \$53,200.

TOTAL EXEMPTIONS

Total exemptions—1931, \$20,703,440; 1930, \$20,530,200; total increase of \$173,240.

Net taxable lands—1931, \$25,362,874; 1930, \$25,263,670; net increase of \$101,204.

Net taxable improvements—1931, \$53,782,460; 1930, \$51,336,510; net increase of \$2,445,950.

Net total taxable lands and improvements—1931, \$59,145,334; 1930, \$56,798,180, or a total net increase in all taxable property assessment of \$2,347,154.

GREAT UNREST IN BARCELONA

MADRID, Oct. 3.—Although the Government here denies reports of a revolutionary movement in Barcelona and insists tranquility prevails, dispatches from the city indicate there is great unrest there.

The newspaper La Nacion says the arrest of two Communists, named Helios Gomez and Miro, was connected with an extensive revolutionary plot, and Republicans and Communists are attempting to incite student strikes and other walkouts.

Barcelona authorities, the paper states, are considering the declaration of martial law throughout the province.

Eight hundred metal workers went on strike today in Barcelona, near Barcelona, and the authorities hurried a heavy detachment of civil guards there to prevent possible outbreaks. Six persons were arrested, charged with attempting to obtain recruits for the strike.

HON. R. B. BENNETT AND MISS BENNETT GUESTS OF BRITISH PREMIER

LONDON, Oct. 3.—Hon. R. B. Bennett, Premier of Canada, and his sister, Miss Mildred Bennett, will be the guests of Prime Minister Ramsay MacDonald over the week-end. Other members of the Canadian delegation attending the Imperial Conference have been invited to join Mr. MacDonald and the British Premier at lunch on Sunday.

Two British Women Missionaries Held For Ransom Killed

Miss Edith Nettleton and Miss Eleanor Harrison, Captives Since June, Are Shot to Death by Communists in China

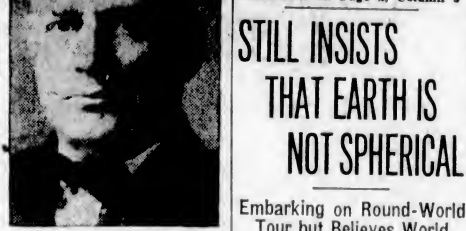

LONDON, Oct. 3.—News which horrified all England was received in a cable to the London headquarters of the Church Missionary Society today, saying that two of its women missionaries, Miss Edith Nettleton and Miss Eleanor Harrison, had been shot by the Chinese bandits who held them captive since last June.

The message which told of the tragedy was very brief.

"Nettleton and Harrison shot. Consul and Sills returning Foochow."

The envoy referred to is the British Consul at Foochow, A. J. Martin, who had gone up-river from Foochow to negotiate the release of the women, while Sills is the Rev. Alfred Sills, of the Christian Missionary Society, who accompanied Martin on his mission.

HUGE AIRSHIP OFF TODAY ON INDIA VOYAGE

Giant Vessel R-101 Will Carry Fifty-Three Persons on Notable Tour

REFUELING TO BE DONE AT ISMAILIA

By THOMAS T. CHAMPTION
Canadian Press Staff Correspondent.

LONDON, Oct. 3.—R-101, big sister of the airship that visited Canada in August, is expected to start for India tomorrow with fifty-three persons on board. Besides the crew the giant vessel, largest airship in the world, will carry Lord Thomson, former Minister for Air; Sir Sefton Brankner, director of civil aviation; Wing Commander R. B. Colmore and Lieut.-Col. Richmond. Major G. H. Scott, designer of the airship, will, of course, also go along.

The R-101 has the most spacious accommodations of any airship yet built, much on the same lines as the arrangements of the R-100. She will halt at Ismailia for refueling. The Egyptian point having a complete mooring tower similar to those at Cardington and St. Hubert, Montreal. At Karachi, her destination, there is a large housing hangar, in addition to the mooring mast, this shed being the largest building in the British Empire.

The exact route will be determined according to the weather conditions prevailing tomorrow.

ONE MAN KILLED, TEN HURT BY PREMATURE DYNAMITE EXPLOSION

ST. LOUIS, Oct. 3.—One man was killed and about ten persons were hurt tonight at the old St. Louis waterworks by a premature explosion of dynamite, set off by wreckers who were preparing to raise a brick chimney, 110 feet high.

Robert Le Harmon, fifty-five, was the man killed. About 1,500 persons had gathered at the scene in anticipation of seeing the huge chimney brought down by the blast.

WILL OPEN TRADE OFFICE IN CAIRO

Federal Government Names Yves Lamontagne as Commissioner to Egypt

COVERS BIG TERRITORY

OTTAWA, Oct. 3.—A new Canadian Government trade office is to be opened in Cairo, Egypt, as soon as possible, with Yves Lamontagne, formerly of Montreal, as trade commissioner, according to an order-in-council just passed. The new office, which will have as its territory Egypt, the Sudan, Palestine, Cyprus, Syria, Iraq and Persia, has been made necessary as a result of the new subsidized steamship service from Canada to Egypt, Palestine and the West Coast of Africa. This service is expected to throw open to Canadian exporters a vast market for Canadian products and manufactured goods.

Mr. Lamontagne has been on loan to the Egyptian Government for the past three years as tariff adviser and was engaged in the preparation of a new tariff for Egypt.

SECRETARY OF ISLAND BOARDS IS CRITICIZED

Tourist Trade Group Deprecates Action of M. C. Ironside

NANAIMO RESOLUTION COMES UNDER REVIEW

Members of the Chamber of Commerce and the Real Estate Board, at the joint luncheon meeting called by the Tourist Trade Group, went on record as deprecating the action of M. C. Ironside, of Nanaimo, in sending a letter signed by him as secretary of the Associated Boards of Trade of Vancouver Island, which asked for endorsing the condemnation of any scheme for a national park area reaching tidewater which would be located south of the Alberni Canal.

Such a letter, it was stated, had been sent to Premier Tolmie among other things, and the opinion was expressed that, while Nanaimo Board of Trade had passed such a resolution, it was surely not for the island body to be connected with such a letter as was suggested from the letter.

The resolution was as follows: "Resolved, That this Tourist Trade Group of Victoria regrets the attitude taken by the Associated Boards of Trade of Vancouver Island in permitting a letter to be issued and sent by M. C. Ironside, as secretary of the Associated Boards of Vancouver Island, and mailed to all secretaries of boards affiliated therewith, copies of which were sent to certain members of the Legislature and to the president and vice-presidents of the Associated Boards of Trade, misleading those to whom they were sent, and this group deprecates the attitude of the secretary in sending out the letter above referred to."

LEAD TO DISUNION

The action of Mr. Ironside, it was contended, was such as to make for disunion between the boards on the island. The attempt was being made to work in unison, but such a course as that pursued by the secretary could only result in tearing the various bodies apart.

A motion introduced by Reginald Hayward, M.P.P., and seconded by J. H. Beatty, M.P.P., expressed deep regret that such a letter should have been signed by Mr. Ironside as secretary of the island body, in view of the fact that Victoria Chamber of Commerce had so materially assisted in the good work of the Associated Boards.

The letter it was explained asked the endorsement of the resolution which had been passed by the Nanaimo board, which set out that "the present time was felt to be opportune for pressing forward the work of completion of the road from Sproule Lake to Long Beach, and that the means of access from the mainland to the island body, in view of the fact that Victoria Chamber of Commerce had so materially assisted in the good work of the Associated Boards."

Rev. W. W. Cash, the society's secretary, said that up until today he had been entertained for the release of the two, and that today's messages of their death had come as a great shock.

"Miss Harrison and Miss Nettleton," he said, "were a great blessing to the church, and their death was a great loss to the church. They were going down the river from their station at Chungung to Fookchow."

"The bandits boarded the steamer and took them off, and since then unremitting efforts have been made by the British Consul, Church Missionary Society, missionaries, and the Chinese Church for their release."

DEVOTION AND SERVICE
"It was hoped these efforts would be successful and the news received this morning came as a great blow to society and will cause profound sorrow to all who knew the ladies and their lives of devotion and service, which won the affection and admiration of so many."

"Both the consul and secretary of the Church Missionary Society in Fookchow were given full authority and an entirely free hand to do the ransom if necessary in order to secure their release."

RELIEF FUND BEING GIVEN TO PROVINCES

Continued from Page 1
The general nature of the construction programme to be undertaken by the province will be high ways, bridges, subways and street work in the cities, Mr. McPherson said. There will be "some work done" on the TransCanada Highway through the province, he said, but the largest portion of the highway work will be on the provincial system. In the cities there will be some bridges built and subways constructed, the Minister of Public Works said.

REPORTED PROGRESS
Hon. C. D. Richards, Minister of Lands and Mines, one of the New Brunswick delegates, reported a "satisfactory conference" with Senator Robertson. Considerable progress was made, he said, and it was hoped an agreement would be reached tomorrow. Hon. D. A. Stewart, Minister of Public Works, was his conference on the delegation. Hon. Percy C. Black, Minister of Highways for Nova Scotia, also was hopeful of an agreement being reached.

The "Ancient Wisdom, Religion" will be the subject before the Victoria Independent Theosophical Society on Monday evening at 8 o'clock in the Jones Building, Fort Street. The meeting is open to the public.

Board of Trade, pointing out that a road along the West Coast serving the city of Victoria should pass to Bamfield. From there there should be a ferry for the present to Tofino, which would give the city and Long Beach, J. L. Beckwith, from long experience with the West Coast, said that there were many points there which would be developed by the city. The city should waken up to the opportunities that existed for business. He said that he never knew a time when Nanaimo showed a disposition to work dispassionately with Victoria.

MUCH ACCOMPLISHED BY LEAGUE SESSION NOW NEARING CLOSE

Continued from Page 1
The British reservation that disarmament must come first.

A preparatory disarmament conference will meet on November 3, at Geneva, Switzerland. It is scheduled as the "last" of these preparatory meetings, but the assembly was unable to commit itself to a date for the full-scale general disarmament conference which is to follow. The Germans are especially indignant that the date was left open. It is generally felt, in fact, that the real conference cannot be held for many years. The French insistence that security must come first is largely responsible for this delay.

COMPULSORY ARBITRATION
A general act of arbitration which provides for compulsory arbitration in nonlegal disputes has been signed by two countries during the present assembly, Spain and Luxembourg. The draft convention for strengthening the means of preventing war, which was designed to give the League Council special powers for designating the aggressor, has been shelved for a year. Hopeless disagreement on this topic was manifest.

Finally, a whole army of juridical experts were unable to devise means to harmonize the League Covenant with the Kellogg Pact and thus transfer moral outlawry of war to concrete terms. The discussion is not by any means dead but it has been postponed for another year.

ECONOMIC CONCURRENCES
Economics—Here valuable work was accomplished. An investigation on a worldwide scale to determine the causes and remedies of the present world economic crisis was authorized. An annual economic conference of all governments was proposed. A new world economic conference was envisaged. Embryonic European unity regarding agriculture, commerce and industry was suggested. A world economic conference was proposed. A new world economic conference was envisaged. Embryonic European unity regarding agriculture, commerce and industry was suggested.

Legal—The work of the conference attempting codification of international law was approved. The revised constitution of the League of Nations was adopted.

AVOIDED TREATY REVISION
Minorities—The status quo group of powers refused to grant any extension of minority privileges to the revisionist powers. In hot speeches, representatives of Poland, Czechoslovakia and Rumania quelled the efforts of Germany and Hungary to erect a new League of Nations.

MAN HURT IN MINE DIES AT VANCOUVER
VANCOUVER, Oct. 3.—Terribly injured in an accident at Britannia Mines, Thursday afternoon, Carl Rasmussen, aged twenty, miner of Britannia Beach, died at 2 a.m. in the General Hospital. On arrival at the hospital it was found necessary to amputate both his legs, the right leg near the knee and the left one at the ankle. He also suffered cuts about the head and body.

It is reported that he was struck down and run over by an ore car while working in the mine. The injured man was rushed by speedboat to Horseshoe Bay, where he was met by an ambulance and conveyed to the hospital.

NEW GOLF COURSE OPENS TODAY

"Plus-Four-In-Door" Will Hold Many Attractions to Victoria Players

Early this afternoon the doors will be thrown open on the latest addition to the miniature golf field in Victoria, namely, the "Plus-Four-In-Door" course, full eighteen holes, including more than usual space at 847-853 Yates Street. This course, including hazards and novelties never before ventured upon, has been built for Mr. Eric Hamilton, designed and superintended by Mr. Graham Johnson, who won much approbation for his clever designing and excellent work on the Crystal Garden course, opened a short time ago. At the "Plus-Four-In-Door" course the greens are constructed after the latest pattern, of material that is the last word in modernity. True and accurate play is assured, in addition to the factor of durability. Arrangement has been made to make the most of the natural light for playing by day, making it as nearly parallel to outdoor play as possible in that respect, while maintaining all the advantage of shelter and warmth. The hazards are many, novel and interesting, including many that are innovations in Victoria. As an added attraction music will be supplied in the evening by the "Plus-Four" five-piece orchestra, and a large crowd is anticipated, drawn by the beauty of the palm-decorated interior and the never-failing lure of melody.

dian Minister of Justice, will head the committee of civil aviation.

DATE IS SET
Next Wednesday was the date fixed for statements from the delegations on "Problems of Inter-Imperial Economic Relations"—in other words, inter-Empire trade. Today's discussions turned on two points:

(1) The machinery of communication between the various units of the British Commonwealth, both between themselves and with foreign power;

(2) The status of Dominions' High Commissioners in London.

In the former case the working of the machinery, set up as a result of the 1926 Imperial Conference, was reviewed.

On the second point the British representatives took the ground that the question of precedence of High Commissioners in London was of concern only to the Government of the United Kingdom.

In the end both questions were referred to the subcommittee, under the chairmanship of Lord Sankar, Lord Chancellor of Great Britain.

Twenty express locomotives are to be built in Berlin, Germany, for the Egyptian State Railways at a cost of \$25,000 each.

FISHING VESSELS DECLARED FORFEITED

Mr. Justice Martin Finds Three American Boats Were Illegally Inside Territorial Limit

Mr. Justice Martin yesterday handed down judgment in the Admiralty Court with respect to the three American fishing vessels, Sunrice, Tullie M. and Queen City, which were taken by the Canadian Fisheries Service vessel, Rividale, off the Queen Charlotte Islands in June. His decision calls for the forfeiting of the three boats with their equipment to His Majesty for having violated the rules permitting such vessels to enter territorial waters.

This judgment of his lordship disposed of the four cases which came before him in the Admiralty Court, sitting in Victoria a few weeks ago. In a judgment given a Mr. Justice, who disposed of the case of the King vs. the May, when he declared the American boat in that instance had likewise violated the statutes and was forfeited.

The text of the judgment handed down by his lordship yesterday reads as follows:

"After a very careful consideration of all the evidence and the numerous authorities bearing upon the questions in issue, I can only come to the conclusion that these three foreign fishing vessels have violated Sec. 10 of the Customs and Fisheries Protection Act of Canada, Cap. 43, R.S.C. 1927, in that they have entered the territorial waters of Canada for a purpose not permitted by that statute, nor by Sec. 183 of the Customs Act, Cap. 42, R.S.C. 1927, because under the particular circumstances there was no stress of weather or other unavoidable cause within the true meaning of Sec. 183 warranting such entry."

Such being the case, the only course open to this Court under said statutes is to pronounce judgment against them and declare them, their tackle, rigging, apparel, furniture, stores, and cargo forfeited to His Majesty.

"In so deciding, I have not overlooked the plea for mitigation of penalty, in case of an adverse judgment, advanced by their counsel, Mr. Savage, who has presented their case to the best advantage, but as Mr. Justice King pointed out in the Supreme Court in The Queen vs. The Frederick Gerring (1897), 27 S.C. 271 at 298, 'the remedy for cases of hardship lies in the pardoning power of the Crown.' I do not, however, feel it inconsistent with my judicial duty to say that if it were within my power to inflict a lesser penalty than the extreme one of forfeiture, I should be disposed to do so, because there are some mitigating circumstances in these cases that there is reason for the view that violation of the statute has been occasioned more by misconception of rights than by deliberate intention."

With respect to the claim of the Atlas Imperial Engine Company, of Oakland, California, to the engine of the Sunrice under the conditional sale contract and mortgage put in evidence, it is my duty to state that evidence was adduced proving the claim to the extent of \$1,900 due with interest from Aug. 1, 1929, but it is clear that such a claim cannot be sustained.

It is my duty to state that evidence was adduced proving the claim to the extent of \$1,900 due with interest from Aug. 1, 1929, but it is clear that such a claim cannot be sustained.

"These reasons will be elaborated soon as other pressing duties permit."

MAN HURT IN MINE DIES AT VANCOUVER

VANCOUVER, Oct. 3.—Terribly injured in an accident at Britannia Mines, Thursday afternoon, Carl Rasmussen, aged twenty, miner of Britannia Beach, died at 2 a.m. in the General Hospital. On arrival at the hospital it was found necessary to amputate both his legs, the right leg near the knee and the left one at the ankle. He also suffered cuts about the head and body.

It is reported that he was struck down and run over by an ore car while working in the mine. The injured man was rushed by speedboat to Horseshoe Bay, where he was met by an ambulance and conveyed to the hospital.

NEW GOLF COURSE OPENS TODAY

"Plus-Four-In-Door" Will Hold Many Attractions to Victoria Players

Early this afternoon the doors will be thrown open on the latest addition to the miniature golf field in Victoria, namely, the "Plus-Four-In-Door" course, full eighteen holes, including more than usual space at 847-853 Yates Street. This course, including hazards and novelties never before ventured upon, has been built for Mr. Eric Hamilton, designed and superintended by Mr. Graham Johnson, who won much approbation for his clever designing and excellent work on the Crystal Garden course, opened a short time ago. At the "Plus-Four-In-Door" course the greens are constructed after the latest pattern, of material that is the last word in modernity. True and accurate play is assured, in addition to the factor of durability. Arrangement has been made to make the most of the natural light for playing by day, making it as nearly parallel to outdoor play as possible in that respect, while maintaining all the advantage of shelter and warmth. The hazards are many, novel and interesting, including many that are innovations in Victoria. As an added attraction music will be supplied in the evening by the "Plus-Four" five-piece orchestra, and a large crowd is anticipated, drawn by the beauty of the palm-decorated interior and the never-failing lure of melody.

BENNETT TO TAKE LEADING PART IN TRADE ARGUMENTS

dian Minister of Justice, will head the committee of civil aviation.

DATE IS SET
Next Wednesday was the date fixed for statements from the delegations on "Problems of Inter-Imperial Economic Relations"—in other words, inter-Empire trade. Today's discussions turned on two points:

(1) The machinery of communication between the various units of the British Commonwealth, both between themselves and with foreign power;

(2) The status of Dominions' High Commissioners in London.

In the former case the working of the machinery, set up as a result of the 1926 Imperial Conference, was reviewed.

On the second point the British representatives took the ground that the question of precedence of High Commissioners in London was of concern only to the Government of the United Kingdom.

In the end both questions were referred to the subcommittee, under the chairmanship of Lord Sankar, Lord Chancellor of Great Britain.

Twenty express locomotives are to be built in Berlin, Germany, for the Egyptian State Railways at a cost of \$25,000 each.

were such as to give him "artistic indignation."

Those who were present last night, after the regular show, to see the picture run through were unanimous in declaring that it was undoubtedly the best picture of British Columbia scenery ever shown in the province.

TO BE RELEASED SOON

The film will be released within the next few weeks, and will be followed later by a picture depicting the alluring drive from Kamloops to the Southern Okanagan. A third picture, which is now being finished in the Skeneads Studios at Vancouver will complete the journey from South Okanagan to Nelson.

Included in these pictures will be numerous color scenes which are said to be equally as fascinating as those shown on the first picture. The Bureau of Provincial Information already has arrangements with the Dominion Government for the use of films taken on Vancouver Island and from Nelson to Banff, so that the whole trip from the Coast to the Rockies can be shown.

PAY LAST RESPECTS TO FORMER LEADER

Representatives of Church and Public Life of Canada at Funeral of Dr. W. T. Gunn

TORONTO, Oct. 3.—Representatives of the churches and the public life of Canada gathered at Rosedale United Church this morning to pay tribute to the late Rev. Dr. William T. Gunn, former moderator of the United Church of Canada. After the public service the body was removed to Emboro, Ont., for interment.

The service at the church was conducted by Rev. Ronald McLeod, with the assistance of Rev. Dr. S. D. Chow and Rev. J. M. Duncan. At the request of the present moderator, Rev. Dr. E. H. Oliver, of Saskatoon, two former moderators, Rev. Dr. George Pidgeon and James Endicott, officially represented the United Church.

Messages of condolence from all parts of the world reached the family of the late Dr. Gunn and the United Church yesterday. Today the church offices in Toronto are closed as a mark of respect for the late moderator.

CAPT. J. R. BOWLER TO REMAIN AS SECRETARY OF CANADIAN LEGION

OTTAWA, Oct. 3.—The appointment of Captain J. R. Bowler, general secretary of the Canadian Legion, to the committee vested with the administration of the War Veterans' Allowance Act will not entail his resignation from the Legion, according to a statement issued by Lieut.-Col. L. R. Lafliche, Dominion president of that organization today. Membership on the committee is purely honorary, inasmuch as it carries with it no remuneration. "The War Veterans' Allowance Act contains provision for the appointment to the committee of a person not on the staff of the department. Upon being requested to submit a name the Legion submitted that of Captain Bowler."

VICTORIA DECIDES ON PROSPERITY WEEK

Tourist Trade Group Is Behind the Move for Pushing Canadian Goods

Victoria, in common with other cities in the Dominion of Canada, is to have Prosperity Week. This will be observed from October 11 until October 18.

The announcement in connection with the move was made at a meeting of the Tourist Trade Group of the Chamber of Commerce yesterday by Clifford Denham, the chairman of the committee in charge of the matter. He made a strong appeal for the merchants and the general public to bear the movement in mind and to assist in the making of a success of it.

If the principle involved were adopted "prosperity was here now," he said. It was, in effect, the forcing of the sale of Canadian-made goods, and he alluded to the help that the large department stores were lending the movement, together with the papers and many other agencies, which promised access to the drive.

A letter from Premier Tolmie strongly endorsing the plan was read, in which he called attention to the slogan "Keep your money at home and get another chance at it," which, he said, was a good one and was really behind this move.

ANOTHER RACE HORSE SWEEP ENDED BY RAID

OTTAWA, Oct. 3.—Acting in conjunction with Detective E. Dalpe, of the Quebec Provincial Force, the Ottawa morality squad today raided a suite in a fashionable apartment house and confiscated a large quantity of circulars issued in connection with a charity sweep being conducted under the name of the Columbus Club, of Hull. Distributing quarters for the

lottery were transferred to the capital a fortnight ago when Quebec police raided the club headquarters and allegedly seized a number of books of the lottery tickets. No arrests were made in connection with today's raid, but the authorities announce two men and a woman are being sought. The lottery is being held in connection with the running some weeks hence of the Manchester Handicap, long established English horse race.

PREMIER TOLMIE EXPLAINS ISSUE ON INDIAN LAND

Vancouver Assured of False
Creek Rights Within
B.C. Control

GOVERNMENT ASSISTS NEW BRIDGE PROJECT

Definite action to assure necessary rights to the City of Vancouver for construction of the new Burrard Street bridge across False Creek, through the Kitsilano Indian Reserve, have been taken by the Provincial Government, it was stated here yesterday on the authority of Premier Tolmie. The Government's position in regard to the whole matter was set out in the following statement:

"Considerable misunderstanding appears to have arisen over the position of the Province in regard to the Kitsilano Reserve, and I think our attitude should be clear," the Premier's statement said. "In the first place the Province spent some \$300,000 out of the treasury years ago in an unsuccessful attempt to acquire the reserve. This money was not paid by the people of Vancouver, but by the people of the Province as a whole. The Government in this matter must protect the interests of the people as a whole, who all have a direct interest."

"The future of the Kitsilano Reserve is of far greater potential importance than is generally realized. What is done in regard to this reserve inevitably will form a precedent for the treatment of other Indian reserves. Recently the Province secured from the Federal Government an agreement under which all Indian lands, when they cease to be used for Indian purposes, will revert to the Province. In the future large areas of very valuable land will so revert. "The precedent established in the case of the Kitsilano Reserve is sure to be raised in many cases when these reverted Indian lands are eventually disposed of. Thus, even apart from the interest of the people as a whole in the Kitsilano Reserve, the disposal of it is a matter of very great importance, in which the Government must safeguard the rights of the Province as a whole."

NO DELAY CAUSED

"It has been suggested, I understand, that the claims of the Province against the reserve might have the effect of delaying the Burrard Street bridge project. This is not so. The Government already has taken definite action to prevent any such occurrence, and I think that no delay on our account is possible. In the first place, we have agreed to allow the city to place its bridge piers and other necessary works on the foreshore land at either end of the structure, where we have ownership rights. Also we will allow the piers to be placed on the bottom of False Creek, which we also own; all this, of course, being subject to the rights of navigation, and the provisions of the Navigable Waters Act."

"The city requires, in addition, a right-of-way for the bridge across Kitsilano Reserve. We cannot grant that, as we do not own the reserve. It belongs to the Federal Government. But months ago, foreseeing this situation, we wrote to the Federal Government and informed it very definitely that we had no objection to this right-of-way being granted."

FAVORED COURSE

"We told the Federal Government that we did not wish this right-of-way to be held up because of our claims against the reserve. We stated definitely that, without prejudicing any claim we might have, we were willing that such a right-of-way should be granted. Thus, so far as the Province is concerned, everything possible and necessary is being done to facilitate the construction of the bridge."

"The matter of our claim against the reserve for the large sun in the Province spent on it years ago in the interest of the people as a whole, must not be entirely overlooked in any negotiations which take place between the city and the Federal Government, looking toward the acquisition of the reserve by the city," the statement concluded.

COUNCIL WILL CHECK FALSE STATEMENT OF GUARANTEE OF BONDS

Through alleged misrepresentation in the sale of bonds of the Victoria Cold Storage by bond houses in some of the Eastern cities, the city of Victoria has been placed in a very unfavorable light, according to Alderman J. L. Mara, who brought the matter to the attention of the City Council yesterday afternoon.

Alderman Mara read from a statement in the Financial Times, published in Montreal. The statement was in reply to a question from an inquirer regarding the reason for the failure of the company to pay current bond interest. The Times, in answer, makes the statement that the bonds had been guaranteed by the city of Victoria so long as the plant was in operation.

Alderman Mara asked that all financial papers in the East be advised of the agreement between the city and the company and that copies of the by-law be forwarded. The council agreed to the procedure advised by Alderman Mara and the mayor will take the matter in hand.

General Jan Smuts Launches
Attack Against Government of South Africa

STORM - DRIVEN PEOPLE

(Canadian Press Cable via Reuters)

MIDDLEBURY, Vt., Oct. 3.—General Jan Christian Smuts, former Prime Minister and now an enthusiastic reception here today when he commenced a speaking tour of the Transvaal. The present speaker of the opposition here today and the alleged failure of the Government to take any remedial measures were the subjects of his first speech. He accused the Government of having abdicated the leadership in time of depression, and of not offering the people a constructive policy in their hour of need.

"We are today," he said, "a storm-driven flock without a shepherd. If ever a Government has been tried and found wanting, it is our Government today. We did not want to know from Hon. Mr. Grobler (Minister of Lands) what the Government believes the British Government ought to do in the far future about native policy; nor from Acting Prime Minister Malan about secession, the indivisibility of the Union, our world status or right to neutrality."

"These are not the things South Africa is thinking of today," the famous soldier-statesman continued. "The Government has shirked its responsibility. We hear nothing because I am afraid the Government had nothing to tell us."

UNIFORMITY OF MOTOR VEHICLE LAWS ASKED

DR. P. E. DOOLITTLE

VANCOUVER, Oct. 3.—Dr. P. E. Doolittle, of Toronto, was chosen president of the twelfth consecutive term at today's session of the seven-annual convention of the Canadian Automobile Association here.

W. G. Robertson, secretary and general manager of the Ontario Motor League, was again elected secretary of the national organization.

TRANSCANADA ROAD
Disclosing a successful year's activity, the annual report of the president referred to the prospect of early completion of the Transcanada Highway.

"During the last election campaign," Dr. Doolittle said, "Hon. R. B. Bennett on many occasions and on many platforms declared that if his party were returned he would develop the Transcanada Highway as a Federal undertaking. He was returned, and we can look forward with every assurance to his carrying out the pledges he so often made."

PROPOSED HIGHWAY

Referring to Premier S. F. Tolmie's Mexico-Alaska road connecting plan, Dr. Doolittle said:

"In constructive endeavor the Prime Minister of British Columbia has conceived a project to extend the existing highway from Mexico northward as far as Hazelton, on through this province and the Yukon Territory, to connect up with the highway system already developed in the Territory of Alaska."

"This highway, if and when carried out, will mark a great step in the advancement of transportation conditions on the North American continent."

THE MISSING LINK
Among the principal resolutions passed today was one asking the Federal Government to undertake immediate construction of the missing link in the Transcanada Highway, from the north end of Lake Superior to Kenora, Ont.

The Dominion Government will also be asked to give increased and permanent aid to the provinces for highway construction.

Another resolution to the Provincial Governments asks for uniformity of motor vehicle laws throughout Canada.

Tonight they left for Victoria and will return Sunday night via Nanaimo.

AUSTRALIAN MINISTRY IN GRAVE DIFFICULTY

CANBERRA, Australia, Oct. 3.—The Federal Cabinet has agreed to reduce the expenditure of the Commonwealth by \$4,000,000 in accordance with the recommendations of the report submitted by Sir Otto Neimeyer, Bank of England financial expert. Prime Minister James Scullin approved the decision of the ministers in a radio phone conversation from London.

It is understood the chairman of the Commonwealth Bank attended the Cabinet meeting which made the decision and delivered a virtual ultimatum regarding the financial policy, especially demanding the reduction of the salaries of civil servants on a sliding scale.

When the cuts are submitted to the Labor Party caucus, it is expected they will be rejected and the Government will face a serious situation involving its own fate.

Politics Becomes Heated in Hungary as Radical Prince Threatens to Lead Revolt

Later Withdraws Statement When Popular Indignation Is Stirred

By EUGENE CRAWFORD
(Copyright, 1930, by The Chicago Daily News Service)

VIENNA, Oct. 3.—Prince Ernst Rudiger von Starhemberg's open threat of a putsch or revolt in case the Socialists win the forthcoming elections has aroused such a storm

of indignation among both the newspapers and the public that today it was indirectly retracted.

At noon today the official telegraph news agency distributed the statement that Prince Starhemberg, who is Minister of the Interior, declared that the Heimwehr communique was misinterpreted and misinterpreted.

Since the two declarations flatly contradict each other, it is believed that Mr. Ignaz Seipel, Minister of

Foreign Affairs, took the young prince to task for his rash and premature declaration and forced him to retract his words before popular indignation reached too high a pitch.

AGITATION IS REVIVED

One of the first reactions to the putsch threat was a revival of the agitation for a new centre party and a renewal of pressure on former chancellor Johann Schober to lead it.

Still more serious and potentially dangerous complications have been injected into the Austrian Government crisis, which former chancellor and now Foreign Minister—Mr. Ignaz Seipel has attempted to solve by persuading Chancellor Karl

Vaugoin to include two representatives of the Fascist Heimwehr organization in the Cabinet.

Prince Ernst Rudiger von Starhemberg is the head of the Heimwehr organization. This is the same Prince Starhemberg who first leaped into the national limelight when a few months ago the police discovered that he was smuggling machine guns into his ancestral castle near Lina, and whom the state's attorney immediately charged with crime.

NOW CONTROLS POLICE

So far Prince Starhemberg has not been brought to trial and since he is now Minister of the Interior, while he is Minister of Justice, it is likely that the charge has already been dismissed. It is also unlikely that further shipments of arms will be interfered with because as Minister of Interior Prince Starhemberg controls the country's police and gendarmerie.

Having held office for two days—long enough to have the criminal charges against him dropped—Prince Starhemberg is now beginning to play for higher stakes. It is revealed in a communique issued by him in the newspapers last night. The communique states: "Even if the Red—meaning the Socialist party—wins a parliamentary majority in the forthcoming elections, the Heimwehr will never permit them to take control of the Government."

BAD OMEN EITHER WAY

This can mean only one of two things. Either Prince Starhemberg spoke without the knowledge of Chancellor Vaugoin or Mr. Seipel and wishes to have them throw him out of the Cabinet for this statement, or with the approval of these two men he is planning to assume dictatorial powers in the near future. In either case the country faces a critical situation, because if Prince Starhemberg leaves the Cabinet he is likely to ally himself with the National Socialist group and seek to become Austria's Hitler.

Meanwhile former chancellor Johann Schober has gone to Czechoslovakia for a vacation and Chancellor Vaugoin has begun to put into office men whom Herr Schober refused to appoint on grounds that his sense of honesty would not have

allowed him to place them in positions of public trust. An agrarian expert named Herr Dollfus became president of the Austrian Federal Railways on Chancellor Vaugoin's first day in office, and Dr. Straffella, whose appointment precipitated the resignation of the Schober Cabinet, became general manager of the railways the following day.

SEEKS LEAVE OF ABSENCE

In a letter addressed to Herr Dollfus today, however, Dr. Straffella requested a leave of absence until the Superior Court renders an opinion on the verdict of a lower court judge that "evidence submitted by the defendant supports the accusation that Dr. Straffella is guilty of questionable practices involving moral turpitude."

This accusation, it will be recalled, the Socialist newspaper, Arbeiter Zeitung, had published in a denunciatory editorial which caused Dr. Straffella to bring a libel suit.

Public opinion is with the lower court judge and in the election campaign newspapers which oppose Chancellor Vaugoin have adopted the slogan "This will be a three-way election—Seipel, Straffella and Starhemberg."

FIFTY-TWO LASHES IMPOSED BY JUDGES

Sentences Totalling Twenty Years Given in Robbery With Violence Cases at Montreal

MONTREAL, Oct. 3.—Sentences totalling twenty years and fifty-two lashes were imposed by Judges Perreault and Lacroix in the criminal courts here yesterday. The judges also made known their intention to impose the lash in all future cases of robbery with violence.

Thomas Eric Jones and Eric Thurston, who pleaded guilty to hold-up and robbing a taxi driver, received five years in the penitentiary and eighteen lashes each.

Armand Vallancourt, was sentenced to three years in the penitentiary and to receive sixteen lashes after being found guilty of having held up the clerk of a local tearoom. A companion pleaded guilty last week and received seven years in the penitentiary.

After being found guilty of breaking into a store and stealing several pairs of shoes, was condemned to serve two years in the penitentiary.

Herman Barthelme, who gave his residence as Albany, N.Y., was convicted of uttering forged documents and was sentenced to two years in the penitentiary. Gaston Lamthe, alias Joseph Lamarche, convicted of making counterfeit \$10 United States bills, received three years in the penitentiary.

TO TEST THEORY OF LENGTHENING LIFE

Experiment of Park G. Hammer's Belief Will Be Made at a Swiss Villa

ST. LOUIS, Oct. 3.—A Swiss villa has been selected and plans have been completed for a practical test of a theory to lengthen life held by Park G. Hammer, wealthy retired paint manufacturer, of St. Louis, it was announced by Hammer.

The retired manufacturer expounded his long-life theories in a book published more than a year ago, predicting the expectancy of life could be lengthened by active years or more if people did not walk erect, absorbed sun rays at many periods during the day, subsisted on a vegetable diet and lived in the nude.

Hammer has just returned from Paris, where he aroused much comment by advertising for Russian emigres to enter a colony for his proposed experiments in diet, posture and exercise as a means of rebuilding the body and prolonging life. Paris and London newspapers dubbed him "Mr. Methusalem."

Safe Blown Open and \$300 Loot Obtained

EDMONTON, Oct. 3.—Safe crackers carried out their second "job" in Central Alberta within twenty-four hours, when a heavy safe in the general store of S. Fogelson, Limited, at Bruderheim, was blown open some time Thursday night and loot of over \$300 obtained.

Three alleged ferocious watchdogs were spirited away by the yeggs and have not since been seen.

Loot included \$270 in cash and a number of watches.

MYCOCK—Funeral services for Mrs. Rachel Mycock will be held this afternoon at 2 o'clock at Hayward's B.C. Funeral Chapel, Rev. Mr. Switzer will officiate. The remains will be laid at rest in Royal Oak Burial Park.

LASENBY—Emily Anne Lasenby passed away in Victoria yesterday, aged seventy-seven years. She was born in London, England, and was a resident of Victoria for the past eighteen years, her late residence being at 2512 Douglas Street. The remains are resting at Hayward's B.C. Funeral Chapel, from where the funeral will take place on Tuesday at 1:45 o'clock, proceeding to Christ Church Cathedral, where the service will be held at 2 o'clock. Very Rev. Dean Quinlan will officiate.

HECKFORD—The remains of Thomas Robert Heckford, who passed away in this city on October 2, will be forwarded on Sunday by S. J. Curry & Son to Los Angeles, where interment will be made.

HILLIER—The funeral for Mrs. Mary Lea Hillier, who passed away at St. Joseph's Hospital Wednesday, took place yesterday afternoon at 3 o'clock from the Sands Funeral Chapel. Relatives and a very large gathering of friends were in attendance, and the many beautiful flowers testified to the popularity of Mrs. Hillier. Rev. S. Moss officiated, and the hymns sung were "Peace" and "Abide With Me." The pallbearers were D. Hodnett, G. N. Ford, J. Halloran, H. Richmond, E. Davey and H. J. Brown, and the remains were laid at rest in the Royal Oak Burial Park.

GERMAN GOV'T PROPOSES CUT IN WAGE SCALES

Minister of Labor Says Reduction Necessary But Difficult to Effect

FARM SITUATION IS DAMPER ON SCHEME

By NEALEY FARRON
(Copyright, 1930, by The Chicago Daily News Service)

BERLIN, Oct. 3.—"No state with the exception of Australia has the same system of government guaranteed wages as Germany—but the question has arisen whether in times of great economic crisis the state can continue to protect the wage level reached in times of prosperity," said Minister of Labor Adam Stegerwald in a special interview today.

"Up to 1929 German wages had gone up by about 5 to 9 per cent within two years," Herr Stegerwald said. "In my opinion, wages should have been stabilized on the level of 1927. We have to correct now the faults committed two years ago."

Naturally, it is an unpleasant task, said the Minister of Labor, who is a former trade unionist himself, but "state necessity demands it."

WILL BE DIFFICULT TASK

It is said here in Germany that wages can be reduced only if met by at least a parallel reduction in retail prices and the general cost of living. On this point Herr Stegerwald stated: "The problem of reducing the cost of living for the laborer is most difficult, chiefly because about 70 per cent of his expenses consist of three items, which are extremely difficult to reduce. One is food. The second is rent. The third, transportation."

"Food prices at present are above the world level because of the German states' efforts to assist the struggling farmers by high duties. The farmers now make up about one-fourth of the German population, but their share in taxes amounts to only about one-thirtieth—therefore it can be said that farmers live largely at the expense of the other classes of the population."

MUST PROTECT FARMERS

"The Government cannot afford to ask the farmer to reduce his prices because at the present moment it is encouraging him to change his agricultural methods in order that he should be able to hold his own against the imports of foreign farmers. The farmers for this require a certain outlay of capital and their position meanwhile must be protected."

Rent, which now amounts up to a 138 per cent index figure over 1913, in most cases is fixed by the Government to prevent what is actually a strong tendency to increase because of the laws of supply and demand. In the next few years Government supervision of rents will be abolished and therefore a decreasing rent for the workingman is virtually unthinkable for some years to come. It is estimated that from about one-fourth to one-third of the German worker's wage is spent on rent.

"Transportation systems, railways, buses and trams are usually controlled by cities, for which they are usually means of indirect taxation. In times of strained municipal finances a decrease in fares is almost impossible to bring about."

German wages for full-time employed, said the Minister of Labor, are somewhat over the level of real values of 1913—particularly in the manufacturing industry, where they range from about \$600 to \$750 per year, including the unemployed and

those out of work for a short time, the total wage average probably falls below that of 1913.

PAY LAST PENALTY IN ELECTRIC CHAIR

Two Negroes Executed at Chicago for Slaying of Guard in Bank Robbery

CHICAGO, Oct. 3.—Two negroes, made sightless by black cloths across their eyes, sat down to death in the electric chair early today.

One of them, Lafon Fisher, was carried to the execution chamber by four men, for he was partly paralyzed and suffering from tuberculosis. Of the two, Fisher died the harder. The first shock of 1,900 volts, which was slowly reduced to 900, lasted two minutes, yet he was still alive. One minute more and he was dead.

The negro who preceded him to death was Leonard Sharlow. The two were convicted of slaying a seventy-year-old guard during the attempted robbery of the Franklin Trust and Savings Bank in January, 1929. Three others are serving life sentences for the crime, having pleaded guilty. A sixth has been granted a stay of execution pending appeal to the State Supreme Court.

The executions attracted the largest crowd ever to see men die in the electric chair in Illinois. Three hundred men crowded into the small basement room of the jail and watched through a partition of glass. One spectator fainted.

COURT SETS DATE TO HEAR APPEAL AS TO PAY OF DRUG CLERKS

Mr. Justice W. A. Macdonald will commence on October 21 the hearing of the appeal against the order of the Male Minimum Wage Board, setting the minimum rate of pay at eighty cents an hour for licentiates in pharmacy. This was decided yesterday by His Lordship after the delivery of his judgment relative to the various preliminary objections.

He decided that W. H. M. Haldane, representing the board, should be allowed to appear as counsel during the appeal and would be associated with H. W. Davey, who appears for the employees of the drug stores. The objection raised by J. P. Hogg that the order was defective and that the matter as decided was ultra vires of the authority of the board was disposed of by a ruling that he was not in agreement with the position taken by Mr. Hogg.

The exact form of the order might be subject to criticism, but under the act if this were so it might be varied to conform with what it should be.

Before concluding his judgment, His Lordship referred to the fact that the Interpretation Act of the Province called for the interpretation of all the acts in a liberal way, so as to best serve the purposes of those acts.

He said that he understood there were no notes available with respect

to the proceedings. He therefore felt that it would be in the best interests to proceed in the matter de novo. Any evidence that might be required should be forthcoming, so that he might, if possible dispose of the matter at as early a date as possible.

DEBATING TEAM WILL BE HEARD HERE NOV. 26

Arrangements Under Way for Appearance of Britishers Touring Canada

ELIMINATION SERIES SLATED FOR OCT. 10

Touring Canada under the auspices of the National Federation of Canadian University Students, the British debating team will be heard here on November 26, according to information received last night from the secretary of the Service Club's Council. The visit here will be staged under the joint auspices of the Service Clubs Council and the Civil Servants' Literary and Debating Club.

For the purpose of securing the best possible opposition for the visitors the Service Clubs Council will hold another meeting on October 10, at the Chamber of Commerce, at 7:45 o'clock. At this party debating delegates from the various service clubs will be through an elimination series. Other clubs interested are also invited to send delegates. The subject of the debate against the place and complete arrangements for their appearance here will be settled at this meeting.

At last night's meeting the Service Clubs Council and detailed data on being fully in accord with the suggestion of beautifying the city, and a letter embodying this idea will be sent to the committee.

B.C. MANUAL IS SPLENDID BOOK

Gov't Publication Is Filled With Variety of Information About Province

IS SECOND EDITION

The 1930 edition of The British Columbia Manual—a handbook of intimate and detailed data on the province—has just been issued by the Bureau of Provincial Information.

The initial issue of this exceedingly useful production appeared last year, when it was received with such enthusiasm by the public that the whole edition was exhausted within a few weeks.

HISTORY AND GOLF

Almost any subject pertaining to the province that may suggest itself as a question of debate or discussion, from the early history of the Coast to the present condition of modern golf courses can be found mentioned within the 300 pages of the manual.

Building upon the foundation laid last year, Major J. Gordon Smith has improved upon the original work and added many new items of interest. All the figures have been brought up to date, and tables of comparison graphically depict the growth and development of the province. The manual can be learned from the Manual that the value of whales killed in 1914 was \$32,000; or that there were 415 manufacturing plants in 1929; or that there were 9,798 dwellings in British Columbia in 1921 there were 123,003. In fact, almost anything that a person might want to know is listed.

CONGRATULATIONS DUE

There is only one criticism that might be voiced of the volume; it is that the index is not as all-inclusive as that of the first issue, but there are so many subjects that might be listed that it is easily understood that complete index would comprise a small volume in itself. Both the Governor and Major Smith, director of publicity, and his staff are to be congratulated upon the production.

Such is the cost of production that it was found necessary this year to make a small charge of fifty cents for the manual, which is indeed worth many times that sum to those who are interested in British Columbia.

Will Hold Inquest On Man Found Hanged

An inquest into the circumstances surrounding the death of Robert Graham will, in all probability, be held at 10 o'clock Monday morning at Thomson & Petherick's Funeral Home, Dr. E. C. Hart, city coroner, stated last night.

Graham's body was found hanging by a rope in a shack on the Gorge waterfront, near the C.N.R. roundhouse at 11:25 o'clock yesterday morning. Chief John Fry visited the scene, and after viewing the body notified the coroner, who ordered its removal.

Two persons are held as material witnesses for the coroner.

COAL MINES ACT WILL PROVIDE TROUBLE FOR MACDONALD MINISTRY

LONDON, Oct. 3.—The Government Coal Mines Act, which was enacted last Summer after stormy hours in Parliament, during which the Ministry's life was often threatened, is apparently to cause the MacDonald Ministry trouble again.

This time the difficulty has arisen through refusal of the coal mine owners to take their allotted part in the National Industrial Board which it established to consider disputes, wages, etc. The board was to have seven members, but the Mines Association, representing the mine owners, has failed to appoint its representation.

The owners' attention does not prevent operation of the act, but does threaten to put the entire machinery out of gear and to create serious difficulty for the Government.

Man Meets Death When Trapped as Shack Collapses

ASHCROFT, Oct. 3.—James Russo, about sixty years of age, who had lived two miles west of Spences Bridge for about two years, met his death on Tuesday of this week by being trapped when his shack collapsed on him.

When he was found one leg was pinned down by some of the roof poles, held fast by great weight of earth which covered the roof. He had an axe in his left hand and had evidently tried desperately to escape by chopping himself loose. In the efforts to free "nuel" his shirt was nearly torn from his body.

Dr. Gibson, of Ashcroft, who was called, stated that Russo had been dead twelve hours or more when found. He had lived in the shack alone. He formerly resided at Savona, but as far as is known, had no relatives in this province.

FREAK TORNADO TAKES TOLL OF THREE PERSONS

Five Injured and One Missing as Result of Tempest in Colorado

PUEBLO, Colo., Oct. 3.—Three persons were killed, one is missing and five were injured by a freak tornado which swept a narrow path near Fowler, thirty miles east of here, late yesterday. The tornado was about a quarter of a mile wide, reports tonight said, but its origin and point of end could not be learned.

The dead were: G. W. Lackey, Mrs. John P. Downing, both of Fowler, and Col. Noble, fifty-eight, of Mansfield, Colo.

VICTIM OF STORM

J. W. Lawler, of Fowler, was not accounted for and was believed a victim of the storm. He had gone into the tornado-swept area today with a herd of cattle and no word has been received from him.

Mrs. Downing and Lackey were in an automobile in the path of the storm. They sought shelter in a small building near the highway. The storm fastened the building, crushing them both.

HOUSE COLLAPSES

Noble was a ranch foreman. He took refuge in a ranch house and the house collapsed, injuring him fatally. He died within a few hours at a Rocky Ford hospital.

Weather Bureau observers here were at a loss to explain the tornado; it developed without any barometric indications apparently.

WILL CONDUCT SERVICE

In the absence of the pastor, Rev. W. J. Howard will conduct the morning service at Grace Lutheran Church tomorrow.

WILL COMPLETE ALLOTMENT OF TUITION FUNDS

Decision Is Pending by Commission in Four Additional Cases

VETERANS' CHILDREN BENEFIT UNDER PLAN

In addition to eighty-two children, who it has already been announced, will benefit under the Education of Soldiers' Dependents' Children Act by small monthly allowances paid by the province to parents to assist in the continuance of their children's education, four other cases are now awaiting decision. It was stated yesterday, on behalf of the commission administering the fund.

The commission, comprising Dr. S. J. Willis, deputy minister of education, chairman; Col. W. E. Buell, of Vancouver, and Capt. C. E. I. Money, Victoria, will shortly complete its final awards for this year. The sum of \$12,000 was voted towards the operation of the plan in 1930, and with the exception of \$200 to cover printing, stenographic and all administrative purposes, will go to the beneficiaries under the scheme. Colonel Buell represents the Canadian Legion on the commission and Captain Money the Army and Navy Veterans.

Benefits paid under the scheme will be distributed monthly to the parents of the children aided in sums sufficient to cover the needs of the period. In addition, the work of the children in the schools will be followed up by a careful check on their attendance and the progress shown in studies.

While the commission administering the fund preserves in confidence the names of those so aided, the operation of the plan, it is stated, will come as a practical help to a number of deserving cases where were it not for this assistance, children would be forced to leave school prematurely.

The educational pension scheme was introduced as a Government measure at the last session of the Legislature by Hon. Joshua Hinchliffe, Minister of Education, and though in its first year of application, has already demonstrated the great benefit its operation will confer on those to whom assistance in this form can be given.

With the awards already announced, and decisions now pending on four remaining cases, the funds for the disposal of the commission for this year will have been fully allotted. Extremely low administrative costs have contributed much to the initial success of the scheme.

GRETNA GREEN MAY LOSE ITS ROMANCE

High Church Officials Consider Action to End "Irregular" Smithy Weddings

GRETNA GREEN, Scotland, Oct. 3.—Alarmed at what they term "irregular marriages" over the village smithy's anvil here, high officials of the Church of Scotland plan action to curb the large number of such marriages. Through Parliamentary statute making marriages more difficult than a mere appearance of two parties.

Under Scottish law, couples married at Gretna Green by the smith are not legally wed until their marriage has been registered, and one of the contracting parties must be a resident in Scotland for twenty-one days prior to the ceremony.

MARRIAGE STATISTICS

Commenting on the marriage business the Rev. J. O. Stafford, minister of a local parish, said: "The commercialized traffic going on here makes it easy for the bigamist and for the man who would decoy a girl with a false marriage ceremony."

Statistics show the number of marriages performed in recent years, as follows:

1928—275 marriages, 81 registrations.

1929—325 marriages, 62 registrations.

1930, to date—260 marriages, 44 registrations.

Churchmen, citing a single day's output of eight marriages, say more "irregular" weddings are taking place now at the famed spot than in the days when such ceremonies climaxed hard rides in post chaises with an angry parent or two bringing up the rear.

The ceremony proper costs approximately \$24, and costs accumulate rapidly if the ceremony is legally registered. For such registration it is necessary to petition the Sheriff of Dumfriesshire. The parties to the marriage, with two witnesses, appear before the sheriff and swear the contracting parties were entitled and free to marry, and that the wedding took place. Changes in the laws advocated by the Church of Scotland as follows: Due notice of intention to marry; civil marriages to be conducted before responsible officials; similar responsibility for civil officials as rests on ministers; rigorous penalties for persons who give false information when registering for marriage; compulsory registration of marriages.

PLAN OBSERVANCE OF HEALTH WEEK IN CITY

"Health Week" sponsored by the Royal Sanitary Institute of London, England, and celebrated in many parts of the British Empire, will be observed next week, commencing on October 5 and concluding October 11. In Victoria arrangements have been made through the office of the medical officer of health for the observance of the period.

The idea is to focus public attention on matters of health. The slogan of the movement is "Self-Help in Health," and the consideration of what each individual can do for himself and his neighbor in securing a healthy life. The ultimate object is to set up a high ideal of health and bring to all that sense in life which only perfect health can impart.

The observance of Health Week has been approved of the Victoria City Council, and arrangements are being made by health authorities to carry out a programme during next week.

Recommend Commissioners—At the meeting of the Tourist Trade Group yesterday, it was decided to recommend to the City Council, as members of the proposed parks board, which is to embrace other than members of the City Council, the names of Captain J. W. Troup, C. P. Hill, F. B. Pemberton and P. R. Leighton.

To License Brewers—New provincial legislation giving authority to the province to license distilleries and breweries and to collect licence fees from these sources, is brought into effect this week, following publication in the current issue of The Gazette. The amount of the fees is not published, but the licensing will be under the direction of the Liquor Control Board.

Chinese Raid—A police squad, headed by Chief John Fry, raided quarters at 555 1/2 Fisgard Street at 8 o'clock last night and arrested fifty-five Chinese and took them to the police station, where they were charged with being inmates of a common gaming house. After posting the necessary bail they were all freed. They will appear before Magistrate George Jay this morning.

In Aid of Blind—As a part of the campaign of the National Institute of the Blind in gaining concessions of buildings and hotels to help sightless workers, a number of slot machines have been installed at various points in Victoria, from which large, juicy apples may be had at the cost of 5 cents each. From 25 to 35 per cent of the money dropped into these machines will aid the blind.

Takes Over Elevator—Joseph Bennett, superintendent of the elevator department of the Albermarle Wheat Co., advised the plant on Saturday to take over the Ogden Point grain terminal, which has been leased to the pool by the Panama Pacific Grain Company. Mr. Bennett inspected the plant on Saturday and found all equipment ready to receive grain. Grain is expected to begin coming into the elevator in a week or ten days, it is stated.

College Dance—Initiation week at Victoria College came to an end last night with the college initiation dance. This was a very enjoyable affair, at which about 250 guests were present, members of the faculty who attended being Principal and Mrs. P. C. Elliott, Professor and Mrs. Farr, Miss J. Cann, Madame Sanderson-Mongin, Miss R. Humphrey, and Professors Savannah and Gage. The decorations were carried out in the college colors, blue and gold, and a most delightful musical programme was furnished.

Holsum to Rebuild—The Holsum Packing Company, whose factory was recently destroyed by fire, will rebuild. At the special meeting of the City Council yesterday afternoon a request was made to the city, which owns the building, to permit the use of a composition fireproof roofing to replace the slates destroyed in the fire. The Council passed a resolution stating its preference for slate if the same could be secured without delay. The company stated, in its letter, that it pays an annual \$15,000 in wages and uses \$28,000 worth of local-grown fruit a year.

FIVE ALDERMEN WILL GO TO KELOWNA MEET

Mayor to Lead Delegation to Union of Municipalities Over the Week-End

To dispose of several matters of importance that could not be deferred until the return of the civic delegates to Kelowna, the five aldermen of the City of Victoria, the City Council held an hour's session yesterday afternoon. The items were discussed in camera and no information was given out at the close of the meeting.

Five members of the council will be leaving over the week-end for Kelowna, where they will attend the Union of British Columbia Municipalities and the Good Roads League. They are Mayor Asanomb, Aldermen J. L. Mara, John Worthington, James Adam and W. H. Oulfin. City Clerk M. Frank Hunter will attend the Municipal Officers' Association at Kelowna the same week.

From Oak Bay there will be Reeve E. C. Hayward, councillor A. D. Crease and Municipal Clerk R. P. Blandy, while Saanich will send Councillors Fred Borden and L. O. Hagan and Municipal Clerk R. E. Bevel. Reeve James Erick and Councillor A. Lockley are to represent Esquimalt.

Canadian Manager Of Poultry Pool Will Give Address

A district meeting of the British Columbia Egg and Poultry Co-operative Association will be held on Monday at 8 p.m. in the members' room, Parliament Buildings. This meeting will be addressed by W. A. Sandreth, general manager of the Canadian Poultry Pool. A hearty invitation is extended to all poultrymen, irrespective of whether they are members of the pool.

WILL HAVE POWERFUL STATION AT SEATTLE

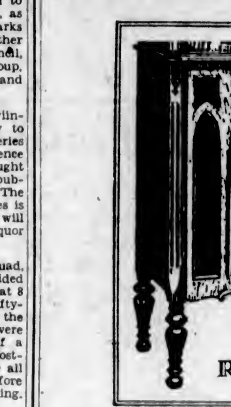

SEATTLE, Oct. 3.—A powerful wireless station to supplant the Government cable to Alaska, except in case of emergency, will be built in Seattle at once, it was announced yesterday.

The new station, which will go into operation about the first of the year, will be erected on a thirty-acre tract just south of Youngstown, A. A. Atwood, representative of the United States Signal Corps and the Puget Mill Company, owners of the property, reported.

The building is estimated to cost \$6,000 and \$10,000 worth of radio equipment is to be installed.

JUNIOR CHAMBER MAP BUSY PLAN

Permanent Group to Study
Preferential Trade Is
Proposed

GROUP ACTIVITIES OPEN

Decision to form a Home Products group to study the question of some permanent plan for keeping of British, Canadian and British Columbian goods before the public was reached at the regular monthly meeting of the Junior Chamber of Commerce last evening.

Members of the Junior Chamber interested are requested to get in touch with C. C. Ganner, president, who is provisional convener of the new group.

Active start will be made on all group activities of the Junior Chamber, and members will be circulated as to what group or groups they wish to join for the Fall and Winter season.

Co-operating with the activities of the Victoria and District Fire Underwriters, the Junior Chamber will supply a number of speakers to help with Fire Prevention Week, starting on Monday next.

A decision was taken to hold a Surprise Night, at which business

experts will be asked to address a general membership meeting, shortly, in planning the formation of a Study Club by the Junior Chamber.

Romance and the Christ to Be New Thought Theme

Rev. Lionel C. Kenworthy will speak at the New Thought Temple, 720 1/2 Fort Street, at all the services and meetings during the coming week. At 11 o'clock Sunday the subject will be "Invisible Sustaining Forces." The morning service is devotional in nature, emphasis being laid on the practice of the Presence. The Sunday school meets at 11 o'clock also.

At 7:30 the subject will be "Romance, Adventure and the Christ." Miss Jean Dennison, soprano, will render "Come Ye to the Waters" (G. R. Roberts) and Mrs. Kenworthy will play Bohm's "Cavatina." Mrs. Clifford C. Warr will be at the piano.

On Wednesday Mr. Kenworthy is giving a series of talks on deeper issues, followed by spiritual healing. On Thursday at 3 o'clock a Bible study class will be commenced.

MEMBERS RECEIVED AND LORD'S SUPPER AT FIRST BAPTIST

"In Remembrance" is the text of the sermon to be preached by Rev. G. A. Reynolds at the First Baptist Church on Sunday morning, and is a thought taken from 1 Corinthians xii. 24. "This do in remembrance of Me."

Mr. Fred Wright, bass soloist, will sing at this service. Immediately following the morning service, the sacrament of the Lord's Supper will be observed and new members will be received into the church. At the evening service the pastor will preach on "Inasmuch," taking his text from Matthew xxvi. 40. Mr. James Dinmore will sing "O Loving Father."

The young people of the church gather on Monday evening for their weekly meeting, and on Thursday at the same time the weekly prayer meeting is held.

CORONATION STONE STORY TO BE TOLD BY LANTERN SLIDES

"The Story of the Coronation Stone," which will be illustrated by lantern slides, will be the subject of the address to be given by E. E. Richards under the auspices of the British-Israel Federation in the Alexandra Club auditorium, Campbell Building, on Monday, October 6, at 8 o'clock. The speaker will argue that the possession of the famous stone by the British people is an outstanding factor in the identification of the British with the ten tribes of Israel people.

Mrs. C. Grant Will Speak on "How to Become a Superman"

At Unity Centre tomorrow morning, Mrs. Gordon Grant's subject will be "The Pathway to Happiness," and in the evening she will give an address on "How to Become a Superman." The rest and healing hour will be held on Tuesday at 2:45 o'clock. The Thursday evening class will be held at 7:45 o'clock. At the morning service the juvenile choir will sing "Love Lifted Me" (G. Howard Smith).

Oak Bay United Has Communion

A Communion service will be held at Oak Bay United on Sunday morning. The theme of a meditation is "Clothing With Humility." With Rally Day over, the Sunday schools of this congregation will resume the morning hour at 9:45 o'clock. Beginners and primary departments of the main school at 11. At the evening service the pastor will discuss the question, "Will the Christian group remain always a church? What about the great rank and file?"

AIMS TO GIVE 7,000 GOSPELS

Estimating that there are 7,000 men on Vancouver Island engaged in coast work and lumber industries alone, the Shantyman's Christian Association purposes to present each with a copy of St. John's Gospel during the year. The local board of management is composed of members of various city churches. The annual meeting of the association will be held in the Reform Episcopal Sunday Schoolroom on Monday, October 6, at 8 o'clock, when Rev. J. McTurk, Moderator of Victoria Presbytery, will give the annual address on the subject of "Prayer and Revival." Reports will be given by W. J. Bruce and Percy Willis.

Harvest Service at Spiritual Mission

There will be a Harvest Thanksgiving service at the Spiritual Mission, 502 E. Hill, 1216 Broad Street, tomorrow, at 3 and 7:30 o'clock. The pastor, Mr. Scott, will speak on "Sowing Seeds of Kindness," after which there will be spirit messages. Every Tuesday, at 8 o'clock, message meeting at 910 Cook Street.

MINISTER OF NATIONAL REVENUE TO TOUR WEST

OTTAWA, Oct. 3.—A tour of the West, on which Hon. E. B. Ryckman, Minister of National Revenue, will set out on Monday next, will extend over approximately a month. The primary object of the tour is for the new minister to visit the customs offices in the principal centres from Winnipeg to Vancouver and Victoria. He will be accompanied by R. W. Broadbent, commissioner of customs; Hector McKinnon, tariff officer of the finance department; and David Sim, private secretary to Mr. Ryckman.

POLICE ARREST ROY CHURCHILL

Alleged Illinois Bank Robber
Suspect Taken Into Custody
in Vancouver

TRACED THROUGH CARDS

VANCOUVER, Oct. 3.—Police headquarters here tonight announced that Roy Churchill, alleged Illinois bank robber suspect, had been taken into custody late today, and that he is being held for United States officers.

The suspect was arrested at five o'clock tonight, and when taken into custody gave his name as A. L. Sinclair, aged forty-two, and address at 1922 Venables Street, Vancouver. The officers are said to have been working on the case for several days as the result of information received from a private source. Thursday morning they received official word that a man named E. L. Hughes, alias Roy Churchill, alias W. B. Ayres, alias Dr. O. C. King, alias G. H. Hay, was indicted in September, in McHenry County, Illinois, for the alleged hold-up of two banks.

Police tonight stated they understood he is alleged to have been concerned in the hold-up of three banks, including one at Woodstock, Illinois.

The local detectives working on the case learned that the suspect was expected to be in the vicinity of Hastings and Granville Streets late this afternoon. They waited for him and made the arrest at 5 o'clock.

Police officials declare he has been identified from pictures as the man wanted by United States authorities. They also alleged Churchill is known to have used the name of Sinclair in the United States.

FUNERAL RITES FOR EARL OF BIRKENHEAD

Notable Company Attends Simple
Service in Ancient Chapel
of Gray's Inn

By THOMAS T. CHAMBERLAIN
Canadian Press Staff Correspondent.

LONDON, Oct. 3.—In the ancient chapel of Gray's Inn, centre of one of the hoary clusters of buildings which men who practice the law have owned as their headquarters almost from time immemorial, a notable company assembled today for the funeral of Frederick Edwin Smith, First Earl of Birkenhead.

The body of the one-time Lord Chancellor has rested in the chapel since the night of his death. Around the chapel are still the trees planted by Francis Bacon, the master lawyer, who, like Birkenhead, held the high office of a bench of Gray's Inn.

The service was extremely simple. Lady Birkenhead, her son and two daughters attended. Afterwards the remains, accompanied only by the twenty-three-year-old earl and a single friend, were taken to a crematorium. Tomorrow the ashes will be interred at Birkenhead's country house near Banbury.

HON. D. M. SUTHERLAND TO INSPECT MILITARY STATION AT VICTORIA

OTTAWA, Oct. 3.—Colonel the Hon. Donald Sutherland, Minister of National Defence, will leave Ottawa tomorrow night for an official tour of inspection of the various military stations in Western Canada. The minister will be accompanied by Brigadier H. C. Caldwell, Quartermaster-General, and Major C. H. Brown, secretary. Colonel Sutherland's first stop will be Winnipeg. From there he will proceed to Saskatoon, Edmonton, Prince Rupert, Victoria and Vancouver.

On his return the minister will visit Calgary, Regina, Toronto, Hamilton, Kingston and Montreal.

It is expected that the minister will be absent from the capital for about a month.

WINDOW COMPETITION FEATURE OF CAMPAIGN

Secretary F. P. Patt wishes to the Fire Prevention Week decorated window competition, demonstrating the value of fire prevention, which is to be held in conjunction with the local campaign, to be conducted October 5 to 11. Cash prizes are being offered as follows: Department stores, first, \$20; second, \$10; other stores, first, \$20; second, \$10. Stores wishing to enter this competition are requested to advise Mr. Patt, Bayward Block, telephone 5103.

WARD ONE, SAANICH, CONSERVATIVES HOLD ANNUAL GATHERING

The Conservative Association of Ward One, Saanich, will forward a letter to the Provincial Government expressing the thanks of the association for the generous grants which have been made for road improvements within the municipality.

Councillor F. Borden, president of the association, in making his report for the past year, commented upon the fact that at the recent Federal election the Conservatives of Ward One had outvoted the Liberals by a majority of two to one.

Officers re-elected for the ensuing year were as follows: President, Councillor Borden; vice-president, T. K. Harpur; secretary-treasurer, A. G. Tracey. Hon. Dr. S. F. Tolmie was named honorary president of the organization, with C. H. Dickie, M.P., vice-president. Representatives to the central executive body will be the president, vice-president, secretary and Mrs. Harpur.

YOUTH DIES FROM MISHAP INJURIES

Dwight Whitworth, Nineteen, Succumbs in Vancouver Hospital
After Auto Accident

VANCOUVER, Oct. 3.—Succumbing to injuries received when the car in which he was riding with another youth overturned and caught fire at West Boulevard and Forty-Ninth at 5 a.m. Thursday, Dwight Whitworth, nineteen, of Marine Drive, died in the General Hospital late Thursday night.

Arthur Terry, nineteen, of 1647 East Forty-Fifth, Whitworth's companion, is in the General Hospital under police guard, suffering from a broken arm, cuts and bruises and internal injuries. Physicians say his condition is improving.

The youths, according to the police, were driving a car which was allegedly stolen from Mr. Gordon W. Foote, 3851 Cedar Avenue. They failed to negotiate the turn east at Forty-Ninth, and the auto, after skidding thirty feet along the interurban track, overturned and caught fire. The lads were extricated by police and firemen.

Judge—"Have you anything to offer the court before sentence is passed upon you?"

Prisoner—"No, Yer Honor; me lawyer took me last dollar."

Some Chic Accessories

Variety of New Perfumes Makes Selection Hard

Next to buying a new costume, few adventures in expenditure are more exciting than the purchase of a new perfume. And what with the most distinguished of the haute couture adding their creations in perfumery to those of old-established and new, ambitious perfumers, the selection becomes a task of no mean proportions.

Since time immemorial perfume has been as dear to the heart of women as fire. And with the ways and garb of elegance returned to feminine favor, the lure of provocative perfume as a complementary accent increases.

Confronted by odors in profusion, ranging from light and delicate suggestions to heavy, heavy Oriental aromas, greeted upon all sides by delectable containers that merit buying for themselves, regardless of the perfume within, constantly intrigued by new creations from perfumers of established fame, one needs considerable determination to steer a straight course to one suitable scent.

TRUST YOUR TYPE

There have been devised perfumes for various occasions, for various seasons, for various types. It is this last-mentioned category that offers the safest field for research. Type and perfume might seem to have small relation to one another, but anyone who has met a young lady of eighteen smothered in mamma's heaviest and most expensive scent will realize the wisdom of the idea.

For general use single flower odors are an excellent choice. There are any number of good ones to be found. Such perfumes also are the choice of the wise in the way of a gift, for, not too light, nor yet too heavy, they are both refreshing and distinctive.

For the sportswoman, who dislikes the flower bouquet and the exotic Oriental scents equally, there are a number of delightful spicy, woody odors that are in harmony with the out-of-doors setting that is her happiest background.

For the woman of mature sophistication a heavier perfume is permissible. But even these are better suited to the formalities of the winter season than to a Summer scene.

HOW TO SET IT

About the applying of perfume, M. Lelong says never to put perfume directly upon one's dress, but rather to spray it upon lingerie or apply it directly to the tops of the ears, hair and eyebrows. A famous

American specialist advises dipping a string in one favorite scent and hanging the string upon the hanger inside of one's dress. Perfume, however, being so easily absorbed by the skin, too much is a great deal more than enough!

As mentioned previously, not the least attraction of perfumes today lies in their containers. Flacons of clear crystal, of jet, of jade, of aqua bottles and tall ones, appear in decorative array to add charm to any dressing table.

DANIEL GUGGENHEIM LEFT HUGE ESTATE

Bequests and Trust Funds Totalled
More Than \$8,000,000—Remainder to Widow

MINNEAPOLIS, N.Y., Oct. 3.—After leaving more than \$8,000,000 in outright bequests and trust funds to relatives and charity, Daniel Guggenheim, copper magnate, left all his millions, of undetermined number, to his widow.

The will was filed today naming Florence Guggenheim, the widow, as sole executrix and trustee, with the provision that if she was unwilling or unable to serve, the testator's three brothers should replace her.

The largest bequests for which the figures were given in the will were to the three children, Harry P. Guggenheim, ambassador to Cuba, and Gladys G. Strauss were given \$2,000,000.

TRUST FUNDS ESTABLISHED.—Trust funds of \$250,000 each were established for Guggenheim's sisters, Mrs. Rose G. Quicke and Cora G. Rothschild, and for his niece, Mrs. Nellie C. Knox. Trusts of \$50,000 each were set aside for his sisters-in-law, Mrs. Salina S. Grant and Mrs. Claudia S. Frankel.

He will left \$1,500,000 to the Daniel and Florence Guggenheim Foundation, a charitable corporation.

As an instance of his interest in aviation, he will directed that if six of his employees wished grants should be made from the estate to aid in the education of their sons in aeronautical engineering.

WILL GIVE \$100,000 TO VANCOUVER CITY

Province to Make Grant as Refund
on Part of Relief Expenditure

VANCOUVER, Oct. 3.—A grant of \$100,000 will be made immediately to the city by the Provincial Government as a refund for a portion of Vancouver's expenditures for relief of unemployment in the first six months of this year.

This was announced by Mayor W. H. Malkin at noon following a conference of City Council representatives with Premier Tomin and Hon. N. S. Loughheed, Minister of Public Works.

In addition, the mayor announced, the Province will advance the city dollar for dollar on public works in Vancouver this winter. Funds for this assistance are being provided by the Provincial Government and from the Dominion Government's unemployment relief appropriation.

Charles Brackenridge will prepare a programme of public works which can be undertaken in Vancouver this winter. This list will be submitted to Hon. N. S. Loughheed, who is charged with administration of the Dominion and provincial funds.

COUNTERFEIT PLANT FOUND AT SEATTLE

SEATTLE, Oct. 3.—Secret service agents today seized an outfit for making coins and 422 counterfeit dollars, which had been held in storage here for a man named George Wilson, now under arrest at Pocatello, Idaho.

Wilson, alias L. S. Fred, ex-convict, was sought by officers as the counterfeiting partner of Don M. McRae, former West Point and Los Angeles prohibition agent, who was arrested in Hoquiam, Wash., September 17, after he had passed counterfeit dollars. Fred escaped but was arrested in Pocatello Tuesday, where he had been living under the name of Wilson.

The pair met in the McNeil Island Penitentiary, where both were serving eighteen-month sentences. McRae for conspiring to violate the Volstead Act while dry agent in Los Angeles, and Fred for transporting a stolen automobile across the Arizona state line.

JACK FRAMPTON HEADS VICTORIA RADIO CLUB

Elected President at Last Night's Meeting—Congratulations Extended to Station CFCT

H. Grant was last night re-elected as honorary president of the Victoria Radio Club at a meeting held in Temple Hall, North Park Street. Other officers elected were: President, Jack Frampton; vice-president, Fred Holmes; secretary, Ernie Hawkins; treasurer, W. T. McGibbon, re-elected; committee of directors, K. M. Chadwick, re-elected; Frank Paget, re-elected; and J. Dunlop.

Mr. Fife-Wilson, past president, presided during the evening while business matters were discussed.

A resolution was passed congratulating Victoria's radio station, CFCT, on their recent success in reorganizing their studios. It was also decided to send a note of inquiry to E. J. Haughton, of the Radio Telegraphic Service on the Pacific Coast, regarding a spark or C.W. interference on Salt Lake City station KSL's wave-length that a number of the members of the club were complaining about. It is hoped that this complaint may be remedied, as it causes a great deal of commotion during the reception.

Women's Nationality Is Much Discussed

GENEVA, Oct. 3.—Miss Henri Forchhammer, of Denmark, vice-president of the International Council of Women, voiced dissatisfaction of feminist circles with the nationality clause of the Hague convention, which fixed nationality of women as that of their husbands, at the assembly of the League of Nations today.

She said that, on the other hand, women approved the recommendation that states should study the question of equality of the sexes in matters of nationality, and that she hoped the matter would be taken up again and a satisfactory solution reached.

Legion W.A.

NANAIMO, Oct. 3.—With Mrs. Barnard presiding, the Canadian Legion Women's Auxiliary met in the Legion Hall last evening. Mrs. Barnard described the provincial activities, also British Legion Women's section activities. She also gave a vivid description of the poppy factory at Richmond, England, known as the factory of remembrance. Dispiriting poppies made there. Tentative arrangements were made for Poppy Day, for which details will be announced at a further meeting.

Graduates Join Staff Of Library

Miss Frances Madeley, a graduate of the University of British Columbia and of the Library School of the University of Washington, has joined the staff of the Victoria Public Library and is organizing a new department. As readers' adviser, Miss Madeley will assist the reading public in the selection of books, will compile lists of books on various subjects and in the field of fiction to subject matter rather than title or author. She is making a survey of the industries and manufacturing concerns of Victoria, with a view to assisting employers and employees in selecting books which will be of assistance to them in their special line of work. It is the intention to establish, as soon as funds and space will permit, a department for high school students, which will be devoted to their special subjects, following the courses which are the immediate interest of the boys and girls.

Another addition to the staff has been made in the person of Miss Muriel McPhee, also a graduate of the University of British Columbia and the University of Washington Library School, who will replace Miss Hale Taylor as catalogue, one of the most important branches of library work.

Women's Institutes of Vancouver Island

A most successful fair was held by the Strawberry Vale Women's Institute on Thursday evening in the small hall at Colquhoun. Competitions and games were enjoyed and an added stimulus was given the affair by the voluntary services of a newly-formed boys' amateur orchestra, composed of Maurice and Lionel Foster, piano and traps, and Ernest Gray, ukulele. Much credit is due these boys for providing an attractive musical programme and the thanks of the Women's Institute are heartily accorded them.

The winner of the wool comforter, made by the institute, was Miss Carrington. Stallholders were as follows: Mrs. Humphries and Mrs. Jones conducted hat-trimming and nail-driving contests, winners of the former being Mrs. Humphries, first; Mrs. Burrow, second, and Mrs. R. Jones, third. The first of a series of card parties will be held in the small hall on Tuesday at 8 o'clock. Mrs. Groutage will act as convener.

PARKSVILLE

The regular monthly meeting of the Parksville Women's Institute was held on Wednesday in the Parish Hall. A letter received from the Qualicum W.I. announced that upon rechecking the institute exhibits at the Fall fair, it was discovered that the exhibit obtained by the Parksville W.I. equaled those of the Qualicum W.I., therefore the honor is equally shared. A vote of thanks was proposed by Mrs. Webster was accorded the committee in charge of the exhibit at the fair. Mrs. Wilcox gave an account of the banquet held by the Local Council of Women in Nanaimo. The celebration of the fifteenth birthday which the institute attains on October 13 of this month, was discussed at great length. The president, Mrs. Tryon, was appointed delegate to the Upper Island District Conference, which will shortly be held in Qualicum. Miss Stead gave a most interesting and concise account of her personal experience in child welfare work in England.

Bulgarian King to Wed Princess

ROME, Oct. 3.—The betrothal of Princess Giovanna, of Italy, to King Boris of Bulgaria, was officially announced tonight by Their Majesties King Victor Emmanuel and Queen Helena of Italy.

Princess Giovanna is King Victor Emmanuel's third daughter and fourth child. She was born in Rome on November 13, 1907, and is a pretty girl with dark hair and dark eyes. She is a great companion of her mother, Queen Helena.

King Boris, who is thirty-six years old, has long been known as Europe's bachelor king. He reigned alone since 1918, and there have been numerous reports at various times of his engagement, but none of these have materialized.

Public Library Has New Apprentice Class

A new apprentice class was formed this week at the Victoria Public Library. The students are as follows: Miss Margaret Merrick, Miss Celia Skrimshire, Miss Daphne Barker-Clarke, Miss Petronella Clayton, Miss Doris Payne, Miss Margaret Paul and Miss Audrey Morris. The course will continue for six months, and under the direction of Miss Margaret Clay, librarian, the students will study various phases of library work under the headings of book selection, cataloguing, library economy, children's work and reference work.

Sketch Club

The Sketch Club of the Island Arts and Crafts met on Monday last at Goldstream, where some fine sketches of the woodlands in their Autumn tints were obtained. Next Monday, weather permitting, members will meet at the usual hour on the bridge at Beacon Hill Park. The club has been very successful, and the reflection in the lake is well worth an afternoon's study.

L'Alliance Postponed

The first meeting of L'Alliance Francaise, which will take the form of a social gathering at 1085 Moss Street, beginning at four o'clock, has been postponed, for unavoidable reasons, from Wednesday, October 8, to Thursday, October 9. Members are asked to note the alteration.

Women's Work Will Be Discussed

TORONTO, Oct. 3.—The thirty-seventh annual meeting of the National Council of Women of Canada will be held at Niagara Falls from October 6 to October 11. Women from the local councils and organized societies throughout Canada will convene for a week of discussion in which many subjects touching the welfare of women and children in Canada will be studied and reported upon.

The agenda includes a drive to St. Catharines, Ont., a visit to Niagara Peninsula Sanatorium, a "shop at home" exhibit, a drive around Niagara Falls, apart from the regular convention activities. These will comprise several luncheons and dinners, at which addresses will be delivered by Mrs. J. A. Wilson, Ottawa, national president; Miss Charlotte Walton, M.A., Ottawa; Miss M. W. Kidd, M.A., Montreal, and Dr. Edna M. Guest, Toronto.

Starting on Monday morning committees will convene at Niagara Falls to discuss such topics as education, mental hygiene, taxation, arts and letters, etc., later a report from each of these committees will be read by the convener to the General Council.

Resolutions dealing with county health units, housing and town planning, Canadian national parks, pensions and allowances to blind persons, taxation and cinema will be presented to the General Council and voted upon.

Announcement of election and a meeting of the new executive committee will take place prior to the closing, Saturday afternoon.

Ladies' Choir Organized in Island Town

NANAIMO, Oct. 3.—An organization for the promotion of better music was organized last evening at the home of Mrs. W. W. Gray, to be known as Mrs. Brankston's Ladies' Choir. The following officers were elected: Senior Pianist, George Brankston, M.P.P.; Mayor G. A. E. Hall and Mr. V. B. Harrison, honorary presidents; Mrs. Frank Reynolds, president; Mrs. John Beck, first vice-president; Miss B. Cavallsky, second vice-president; Miss Dorothy Devlin, secretary; Mrs. W. W. Gray, treasurer; Mrs. Kate Brankston, pianist; executive committee, Mrs. W. Griffiths, Mrs. Jack Taylor, Mrs. J. Cook, Mrs. P. Arnett, Mrs. J. McEwen, Mrs. J. Swan, Miss E. Bennett, Miss Dorothy Crawford, Miss Lillian MacDonald, Miss Lily Brankston, Miss Mary Unsworth, Miss Agnes Robertson and Miss Agnes Seaton.

The opening practice of the season is to take place in the Elite Hall on Wednesday next. An interesting programme is under consideration for the season's activities.

Following the business session, refreshments were served by Mrs. Gray, who was tendered a hearty vote of thanks for the use of her home.

Clubs and Societies

Canadian Daughters

The monthly business meeting of Assembly No. 5, Canadian Daughters' League, was held on Thursday evening at the Shrine Temple, View Street. Several new members were initiated and plans were put forward for the work in connection with the bazaar to be held on November 20. Members who have completed articles, which they have been preparing during the summer months are asked to send them in to conveners. Conveners of stalls are as follows: Home cooking and candy, Miss Grace Adams; superstitious, Mrs. E. Thompson; novelties and fancywork, Mrs. Jeanne; aprons and plain sewing, Mrs. Percy; afternoon tea, Mrs. Muriel Taylor. In the evening bridge will be convened by Mrs. Gardiner, and refreshments by Mrs. Jones. A presentation of a writing set was made to Sister Harrison on the eve of her departure for Vancouver; also a beautiful bouquet of chrysanthemums to Mrs. Matheson, who is also leaving Victoria.

James Bay W.A.

The monthly meeting of the James Bay United Church met at the manse, 41 South Turner Street, on Thursday afternoon with a large attendance for the purpose of laying plans for the Fall and Winter work, the new president, Mrs. E. H. Baker, presiding. An interesting part of the programme was the presentation of a silver basket filled with roses to the past president, Mrs. George Kirkendale. Mrs. J. Y. Margison spoke of the long and faithful service of Mrs. Kirkendale to the cause in James Bay and the presentation was made by little Rena Harris. Mrs. Kirkendale has been associated with the Ladies' Aid for twenty years, and has been president of the Aid for the past five years.

BASEBALL ATHLETICS TO CLASH AGAIN TODAY

St. Louis Fans Show Little Excitement Over Card Chances

Cardinal Rooters Greatly Depressed Over Showing of Favorites in First Two Games Against Athletics—9,000 Seats Still Unsold

ST. LOUIS, Oct. 3.—The thump, thump of Connie Mack's not so "white" elephants has almost crushed the far-flung "spirit of St. Louis." With two of their best pitchers already grounded under the big stampede at Shibe Park, even the most rabid Cardinal fan has the blues today and feared the current edition of the world series would be just another one-two-three-four romp for the representative forces of the American League.

In fact, the depression was even noticeable in the ticket sales. With the third game of the series, and the first in St. Louis, scheduled to open within twenty-four hours, or tomorrow, 3,500 grandstand seats were still available. There were 3,000 open seats on the first tier of the bleachers, but no grand riot was anticipated to get at them.

FEW STILL HOPEFUL
Baseball gossip was almost unnoticeable on the streets, hotel lobbies and in clubs. Mr. Cardinal fan had a woe-begone look on his face, although here and there could be found the hopeful "wait until 'Wild Bill' Hallahan whips over his southpaw slants before you give up hope," some encouraged. "He'll stop those Athletics and the Red Birds will start hitting and get that herd of elephants on a run. Then Burleigh Grimes, beaten by the breaks of the

game in the opener Wednesday, will come back and howl!" "Yeh, but what are we going to do after that? What are we going to do with Earnshaw?" muttered the discouraged.

BIG NOISES SILENT
The surprising impotency of three of the Cardinals' best sleep guns, Jim Bottomley, Chick Hafey and Taylor Douthett in the first two games has caused greater surprise and sorrow among the once haughty Red Bird boosters. The three have just one hit in a grand total of twenty-four times at bat, and that was Hafey's scratch two-base hit through Boley in the eighth inning Wednesday. Probably the entire attack of the Cards is built around these three and Frankie Frisch, but only the "Fordham Flash" is delivering.

For Bottomley the slump has given more fuel to the ever-present "Anvil Chorus," which insists it has information he will be traded or sold to the Cubs or Cincinnati Reds next season. "Sunny Jim" hasn't had much of a season, despite his comeback during the Cardinals' pennant drive.

The hopeful and semi-cheerful planned to prove their hearts were still with the Cardinals as they trooped back home today by going to the station to greet and cheer them. They had the "St. Louis blues," but won't sing them before the Cardinals today, anyway.

HALLAHAN ASSIGNED JOB OF ATTEMPTING TO HUMBLE MACK MEN

Star St. Louis Southpaw Will Work Against American League Rivals on Home Lot—Mack Silent About Starting Pitcher for Today's Game

National League Champions Facing Tough Assignment Against Athletics

By GRANTLAND RICE (Copyright, 1930, by the North American Newspaper Alliance)

ST. LOUIS, Oct. 3.—The faint, lingering hope of the Cardinals as they start their home stand of three games is the belief that the terrific tide beating against the National League's champions will be a temporary one. Here is a rival major league with about the same talent and it has won exactly one ball game in the last fifteen starts through 1927, 1928, 1929 and 1930.

Cardinal supporters figure that a hostile surge of this desperate force is sure to rebound and start moving in the other direction with the same heavy sweep. The law of averages is due to swing about, but there are occasions when the law of averages takes its cock-eyed time before permitting the underdog to get back on his feet.

CARDINALS DESPERATE

The Cardinals returned home today in a desperate but not hopeless fix. Only one team in the long history of the world series has dropped the first two games and then come back to win. That was the Giants in 1921. So Old Man Percentage is running against the Cardinals on all eight cylinders, and it will take something of a miracle to beat this athletic team four out of five, with Grove and Earnshaw ready to work as Cochrane, Simmons and Fox.

If St. Louis has any pitchers who are to stop this trio they must be supplied with rifles or hand grenades. No one else has stopped them for the last two years when there was anything important at stake.

HALLAHAN TO PITCH

Hallahan and Haines may make a better job of it, as both are first-class pitchers, but it is a mean problem for any club to face, especially a club that needs four of five to win down the stretch. Street figures to start Hallahan against the Mackmen today.

Mack is now in position to give Grove and Earnshaw two axes, a four-day rest, and that is all they need to be fresh and ready for work. Grove will show more stuff this time out, but Earnshaw will have a hard time duplicating his Thursday game, where he was at his best.

The three cannoners of the Athletics, the delegation bunched to St. Louis, has outlasted the same trio of the Cardinals by four to one. Athletic pitchers have spiked most of the Cardinal artillery, while Gaby and Haines have outlasted the Cardinals by four to one.

It remains to be seen how much the Cardinals will improve on the home field. They looked to be a good ball club on Wednesday in the first game and a poor club on Thursday in the second. Mack is silent as to whom he will start against Hallahan today.

BOTTOMLEY ABOUT DUE

They can play better ball than they have shown so far in almost every department. They should get better pitching from Hallahan and Haines, and they are about due to pick up a few more runs with Jim Bottomley lifted from his slump.

Bottomley's failure to hit has been a depressing factor, but they can't keep the big first baseman muzzled forever. He is too good a ball player to be tied up all through a series.

All three can do new things to dig up the remains of the Cardinals hopes which were almost buried in Philadelphia. They have a better chance to get started in this game than they had in the first two contests. Hallahan is a hard man to hit when his control is working and he is also a first-class man in a crucial spot, something he has shown more than once.

Hornsby says he has felt as much speed as Grove, and he will have more speed than the Grove of Wednesday. A high-class left-hander has a better chance of stopping the Athletics' attack than anyone else. Certainly the right-handers have had a tough time of it so far, with the bombardment working even better than the Athletics did get something as good as a triple they throw it back.

ENID WILSON WINS CLOSED GOLF CROWN

Youthful Nottinghamshire Golfer Secured One-Sided Victory Over Mrs. Forster in Final

ALDEBROUGH, England, Oct. 3.—Enid Wilson, youthful Nottinghamshire golfer, won the English women's closed championship here today.

Mrs. Wilson, who is not yet twenty-one, handily defeated Mrs. P. Porter, of Wensworth, in the thirty-six-hole final, 12 and 11. It was Mrs. Wilson's third appearance in the final in four years. Mrs. Porter, who never played golf until four years ago, was competing in her first championship, and her success in working her way to the final was the surprise of the tournament.

ESQUIMALT JUNIORS

Esquimalt juniors will line up for today's game as follows: Lerandini, Wyatt, Hogarth, Stewart, V. Hicks, McLean, Patterson, Anderson, Clark, Ward, and Evans. Reserves: S. Hicks, Marsh and Buxton.

In spite of their attempts to cheer up it was easy to see that the Cardinals and their Western supporters were in a somewhat depressed state of mind. It takes no master mathematician to figure the percentage count against them, especially with a team that has galloped through two pennant races and won six out of seven series starts. To beat this team four games in five starts is a job far beyond the ordinary. It would be an attack but the odds are extremely thick the other way. There may be something in the fact that the tide is due to swing back in the direction of the National League. Fourteen defeats in fifteen world series starts does not express the comparative strength of the two circuits. They are not that far apart.

And when a tide of this force turns the other way it can often strike with a wrecking force. In spite of all this it will take something approaching a miracle to lift the Cardinals out of the gravel ditch. They must first get up an attack that can hammer Grove and Earnshaw. After this they must find a defence when the law of averages takes its cock-eyed time before permitting the underdog to get back on his feet.

CARDS PROVE GAMENESS
The Cardinals proved their ability and their gameness in facing a ten-game deficit last August and then ripping their way through the Cubs, Dodgers and Giants. But the Cardinals are not the Athletics. Net quiet. They had no two pitchers as effective as Mack's two stars, and they had no supply of dynamite.

There are more than a few that believe the series will end in five games. I figure the Cardinals strong enough at home to take two out of three and carry the war back to St. Louis. If they can pull one out, might get started again as they started last August from a long way behind to hustle along to the top. There is something at least in the fact that they have proved their ability to come from behind before.

BATTLING NELSON DIES DURING BOUT

Iowa Fighter Collapses at End of Fifth Round—Opponent Held for Inquest

CEDAR RAPIDS, Iowa, Oct. 3.—Batling Nelson, of Waterloo, Iowa, fighting the semi-wind-up, Mandell-Myers match last night, died with his gloves on.

He collapsed at the end of the fifth round, and a crowd was tossed in the ring. None in the crowd knew it, but Nelson was dying.

His opponent, Kid Leonard, of East St. Louis, was ordered held for the inquest today. He is seventeen years old and was fighting his nineteenth professional bout. Nelson, whose first name was William C. Nelson, was twenty-seven years old, married and the father of four children. He had been fighting professionally for five years and was a welterweight.

Three physicians, including Coroner R. A. Vorpahl, were at the ring and sought unsuccessfully to revive Nelson. They uttered expressions were that death was accidental, being due either to paralysis of the heart or over-exertion rather than the result of a blow. The county attorney, however, asked that Kid Leonard—Leonard Vandevale is his real name—be held for the inquest.

The fight card went on uninterrupted, with Sammy Mandell, former lightweight champion, taking an easy ten-round decision from Spud Meyer, Pocatello and Chicago welter.

WILKINS AND WYKOFF WILL MEET TONIGHT

Chicago Mat Man in Pink of Condition for Hard Match

HINDU IS FAVORED TO DEFEAT BROOKS

With a victory over "Cowboy" Ray, Texas mat man, in Vancouver Thursday night to his credit, Paul Wilkins, Chicago grappler, arrived in the city yesterday in the pink of condition and ready for his match with Les Wykoff, Los Angeles, at the Tillicum gymnasium tonight. Wilkins, since his last appearance here, has been a busy man with six additional matches under his belt. Five of these he won, while the other was a draw.

Tonight the Chicago man will climb over the ropes to meet Wykoff for the first time. After seeing Wykoff in action at Portland, Wilkins figures that he has one of the toughest matches of his career on his hands. However, he stated last night that if there is one man in the mat game that he is anxious to defeat it is Wykoff.

LOTT AND GLEDHILL REACH COAST FINAL

Fair Will Meet for Tennis Title at Berkeley-Davis and Harrison Score Upset

BERKELEY, Cal., Oct. 3.—George Lott, Chicago Davis Cup tennis star, and Keith Gledhill, young Santa Barbara player, won their way into the finals of the Pacific Coast championship on the Berkeley Tennis Club courts today, after hard-fought battles.

Gledhill eliminated Edward G. Chandler, state champion, after five sets, 2-6, 6-3, 6-4, 6-6, 6-4. The result was an upset.

In the men's doubles division, Wilmer Allison and John Van Ryn, Davis Cup team, downed Phil Neer, of San Francisco, and Sidney Wood, Jr., of New York, 6-4, 6-4, 6-4. To enter the finals, a big surprise was staged in this division when Laura-son Driscoll, Burlingame, and Bradshaw Harrison, of San Bruno, defeated the second seeded team of J. Gilbert Hall, of East Orange, N.J., and George Lott, 7-5, 6-3, in a quarter final.

Mrs. Helen Willis Moody came through in the semi-final women's match played today, defeating Edith Cross, San Francisco, 6-4, 6-3.

SIX CLUBS ENTER FIVEPIN LEAGUE

Entries for Arcade Loop to Close October 10—Special Competition Cards

Six clubs have already entered the Arcade Fivepin Bowling League, and with the final date for the filing of entries postponed until Friday, October 10, it is expected that this number will be increased. Teams entered include Poodle Dog Cafe, Arcade "A," Arcade "B," Eagles, K. O. P., and C.R.

At last night's meeting representatives decided that a special competition open to all members of the five pin clubs will be held in the near future. The series will be divided into two divisions, with two prizes in each division.

JUSTO SUAREZ WINS CALL OVER MILLER

Argentine Sensation Captures His Fourth Victory over U.S. Invasion Before 12,000

MADISON SQUARE GARDEN, NEW YORK, Oct. 3.—Justo Suarez, new lightweight sensation from Argentina, won his fourth straight match here tonight, defeating Ray Miller by decision in the ten-round feature bout that opened the Garden Winter season. Miller was knocked down for a count of one in the fourth. Suarez weighed 135, Miller 131 1/2. Twelve thousand watched the bout.

Archie Bell, veteran Brooklyn bantamweight, and Johnny Pena, formerly of the Argentine, fought a sensational ten-round draw on the opening card.

ENOCH BAKSHAW DIES SUDDENLY

Former University of Washington Football Coach Drops Dead

HEART ATTACK IS CAUSE

TACOMA, Oct. 3.—Enoch W. Bakshaw, former University of Washington football coach, but later state supervisor of transportation in the department of public works at Olympia, dropped dead shortly after 6 o'clock tonight, according to reports received here.

Apparently in the best of health, death came as a great surprise to his many friends. He dropped dead after finishing his day's work at his office in the old Capitol Building. Although definite cause of death has not been announced, it is believed to have been caused by a heart attack.

Bakshaw has been connected with the State of Washington for the past six months, since his retirement from his position as head football coach at the University of Washington. He was appointed to the department of public works by Governor Roland H. Hartley.

COMMERCIAL BOWLING LEAGUE IS ORGANIZED

Sixteen Teams Expected to Enter League when the new Olympic alley is thrown open about the middle of the month. At a meeting last night, Imperial Oil, Shell Oil, McDonald Consolidated, Simons, Union, Scott & Peden and Northwestern Creamery definitely entered, while several other squads had delegates present who had to report back. It was decided to close the entry list next Friday night, when a meeting will be held at Kent's store at 8 o'clock and the officers for the season elected. The bowling nights will be Wednesday and Thursday, from 7 to 9.

A meeting of the senior tenpin bowlers is slated for tonight at Kent's store when plans for the season will be discussed and officers elected.

ESQUIMALT CARPET BOWLERS TO MEET

The annual meeting of the Esquimalt Carpet Bowling Club will be held Monday night at 8 o'clock in the clubrooms. All of last year's members and any others interested are invited to attend.

CARPET BOWLING

A meeting of the Executive Committee of the Capital City and District Carpet Bowling League will be held at the Civil Service Club rooms on Tuesday night at 8 o'clock, when the draw will be made for the first matches of the league. Entries may be filed with the secretary at the meeting.

S.O.E. TO PRACTICE

A practice of the Sonos of England, Division I juvenile soccer team, will be held this afternoon at 2:30 o'clock at Central Park. The following are asked to turn out: J. Todd, Edwards, Scott, Hedy, Hall, Fitcherhouse, Johnstone, Orme, Ward, Young, Richard, Kennedy, J. Oddie and Buckley.

CROP ROTATION
The maintenance of soil fertility is absolutely essential to successful farming. Unless the soil is in a fertile condition it is impossible to produce large crops and large crops are a prerequisite to profitable farming. Observe field husbandry experts of the Dominion Department of Agriculture. The adoption of a good system of crop rotation involves no additional expense and is the most effective way in which to maintain the fertility of the soil and thereby increase the yield of farm crops. In addition, crop rotations assist in the control of weeds, and help to keep in check insect pests and fungous diseases. The labor on the farm, too, is better distributed throughout the season when suitable acreages of various crops, planted and harvested at different times, are grown in rotation.

PRESSES NEED OF COAST ROAD

C. L. Harrison Says He Would Prefer Highway to Courthouse

WANTS TIMBER SAVED

The attractions of the West Coast of Vancouver Island were depicted by C. L. Harrison yesterday at the luncheon meeting of the tourist trade group of the Chamber of Commerce. Over one hundred gathered to hear the address and to have the opportunity of seeing his wonderful collection of views.

Before he concluded his address, Mr. Harrison made the statement that if they had to decide between the West Coast Road or a courthouse he would say take the extension of the road and take over the timber along the route now that it could be obtained at fair rates.

H. E. Boorman, who presided at the gathering, felt also, that it might be better to have roads instead of the courthouse, if only one of them could be had. There was a sentiment in favor of that, he said.

NOT WISE COURSE

By way of introduction, Mr. Harrison called attention to the resolution condemning the location of any park south of Alberni Canal. He felt that such a course by the board of trade of the Island which might be within the sphere of another board was not a wise course. He said that he had no objection to the development of Long Beach. There was, however, south of Alberni Canal the best site for a scenic road and park to be found on the island.

The scenery was depicted, and among the attractions which he alluded to were "blow holes" which would be encountered frequently along the coast between Pachuca and Bamfield. These were wave-worn tunnels in the rocks extending as far as 100 feet into the rock.

The extension of the road to Port Renfrew would not give the attractions that were to be found beyond that. Along the route would be found wildlife and the sea otter were also in numbers. The Tsusiat Falls, which dropped into the sea, were very attractive.

THE WRONG PICTURES

Pictures of the depleted forest lands on the island were shown, and the speaker said that these were views that the tourists were not wanting to see. He did not say that the timber on the island should not be cut, but there should be no depletion along the scenic roads.

SIXTY SCHOOLS IN RUMANIA TO CLOSE

BUCHAREST, Oct. 3.—The Ministry of Public Instruction has just announced that sixty schools are to be discontinued, about a third of which are normal schools, the rest being high schools.

This measure seems strange, especially on the part of a peasant Government, one of the principal planks in its platform which was enlightenment of the masses, and it is to be remembered also that in many parts of Rumania well over sixty per cent of the people are illiterate.

In fact, many observers agree that there is no population in Europe more in need of instruction than the Rumanian villagers. In view of all this, it is natural that the opposition parties should accuse the present Government of being obscurantist and anti-cultural.

NOT WELL FOUND

The charge, however, is not well founded, it is said by many. Rumania, they say, has too many normal schools. Immediately after the war, when the country found itself more than doubled and in possession of several new provinces that had never had many schools, and especially at a moment when the peasants, having been enfranchised and given lands, were especially in need of education, it was natural for Rumania to suffer from a shortage of teachers. There were not enough instructors to supply all the new schools, so normal schools were opened up by the hundreds.

They, however, have accomplished their task, and already the country has too many teachers. Now there are not enough jobs to go round. So the closing of schools for teachers is said to be a wise measure.

EXISTED ON PAPER

The secondary schools are being closed for two reasons. Many of them existed only on paper, so their discontinuance is only a formal procedure. Besides this, there are too many schools for intellectuals. No land has such a vast overabundance of state officials and professional people as Rumania. The state budget is overburdened. Bureaucracy has become a weight retarding the creative impulse of the nation.

Practically none of the village youths attend agricultural schools, but prefer to prepare for state jobs. So the Government is boldly closing schools for the education of professionals. It is hoping to replace them by schools that will prepare the youth to do creative work at home. There are but few lands more in need of enlightened agricultural workers.

JUVENILE LABOR IS STUDIED IN BRITAIN

LONDON.—Inquiry into the prospects concerning the supply and demand of juvenile labor in the next eight years is being conducted by the Ministry of Labor, through the agency of local juvenile employment committees. It is prompted by the need for ascertaining the changes which will be brought about by the diminished birth rate during the World War

and the prospective raising of the school leaving age to fifteen. The influence of the lower birth rate is now beginning to be felt. The number of children leaving school in 1930 is less than in 1929, and would continue to diminish in the ordinary way until 1934. But the decrease will be greatly emphasized in the year 1931-1932 because in that year no children will leave the elementary schools owing to the fact that the leaving age will be fifteen. The flow of leavers will recommence in 1932, but the effect upon the labor market of the stoppage for that year will be perceptible for several subsequent years.

The questionnaire issued by the Ministry aims also at discovering local variations. The shortage will not be uniform all over the country. In some areas industrial activity has dwindled so much that the reduced number of juveniles entering the labor market will still exceed requirements. In such areas a surplus may show itself. In other areas there may be plans for rationalization of industry, which will result in reduced demands for juvenile labor. On the other hand, there are areas of industrial expansion to which the normal estimates of the supply of juveniles leaving school will not apply.

Churches and Their World-Wide Work

BISHOP WILL BE WELCOMED

Harvest Home at Cathedral—The Dean to Preach Twice Tomorrow

DEAN'S CLASS TO MEET

Harvest thanksgiving services will be held in Christ Church Cathedral tomorrow. There will be celebrations of the Holy Communion at 8 and 8 o'clock and after Matins, Matins and sermon at 11, and Evensong and sermon at 7:30. The Dean of Columbia will be the preacher at the morning and evening services.

On Monday evening at 8 o'clock there will be a "Harvest Home" in the gymnasium of the Memorial Hall, when members of the Cathedral congregation and representatives of the clergy and laity of the diocese will welcome the Bishop and Mrs. Schofield upon their return to Victoria. Short speeches will be made by Mr. Lindley Crease, chancellor of the diocese, Rev. Canon Chadwick, rural dean, and by one of the churchwardens. A short programme of music has been arranged by Mr. Stanley Bulley. Light refreshments will be served.

The Dean's tutorial class will meet on Wednesday evening at 8 o'clock. The Men's Guild will meet at 8 o'clock on Thursday evening in the guild room.

Unreality to Be Christian Science Study

All churches and societies of Christ, Scientist, branches of the Mother Church, First Church of Christ, Scientist, in Boston, Mass., will have the subject of "Unreality" for their lesson-sermon tomorrow, with the following golden text from Psalms lxxxv, 7, "Turn us again, O God of hosts, and cause thy face to shine, and we shall be saved."

Sunday services are held in First Church of Christ, Scientist, Victoria, in the morning at 11 o'clock. Evening services are held at 7:30 o'clock. Wednesday evening services, which include testimonies of healing, are held at 8 o'clock. A free reading-room for the public is maintained in the Seyward Building.

Bible Lecturer Here for Fortnight

REV. DR. J. H. ARNUP AT METROPOLITAN

Dr. Scott to Speak on Meaning of a Look—Men Called to Meet on Tuesday

On Sunday morning Dr. C. T. Scott will take as his subject "What is a Look?" The choir anthem will be "Jesu, Word of God Incarnate," by Gounod. Following the morning service there will be the Communion service and reception of new members into the fellowship of the church.

At the evening service the pulpit will be occupied by Rev. J. H. Arnup, D.D., of Toronto. Dr. Arnup is one of the foremost leaders in the United Church and brings a message of inspiration as one of the executive heads. The music for the evening service includes the anthem, "Eye Hath Not Seen" (Postel), the solo being taken by Mr. Ivan Green. A quartette, "God Be With Us," a composition of Bartlett, will be sung by Mrs. T. H. Johns, Mrs. B. M. Morton, Mr. King and Dr. T. H. Johns.

On Tuesday at 8:30 o'clock the Men's Brotherhood, under the leadership of Mr. Arthur Lee, will hold their opening meeting.

ENTERING ON FOURTH YEAR

Dr. C. R. Scafe, Evangelist and Bible Teacher, Comes to Central Baptist

TWO WEEKS' SERVICES

Sunday next marks another milestone in the history of the Central Baptist Church, in that it is the anniversary of the commencement of the work of the Regular Baptists in this city. The first services were held just three years ago, and since then a steady upward climb has characterized all the activities of the church. One year ago the church was opened with a Bible conference under the leadership of Dr. W. Lamb, from Australia, and tomorrow the fourth year will begin with a Bible conference directed by Dr. C. R. Scafe.

The services of Rev. C. R. Scafe, D.D., have been secured for the direction of evangelistic and Bible study services, to continue from Sunday, October 5, to Sunday October 19. Dr. Scafe comes to the city under the auspices of the Moody Bible Institute of Chicago, being a member of its extension department staff of evangelists and Bible teachers.

Until recently Dr. Scafe has been a pastor, his church giving evidence of the evangelistic faith and fervor that has everywhere marked his ministry. Bearing out a conviction that the minister's call is not entirely met in bringing souls to repentance, Dr. Scafe has been a faithful example of the teaching ministry, stressing Bible study and the exposition of the Scriptures. He was a founder of the Bible League of Washington and Idaho. Dr. Scafe has been much in demand as preacher and Bible teacher, and his well-known gifts of eloquence and logical thinking will be highly appreciated by the general public that is cordially invited to attend all the services.

At 11 o'clock Dr. Scafe will begin a special series of studies on "Christ the King," his subject being "The King Humbled Himself," and in the evening at 7:30, "The King Born in This World." Each week-night at 8 o'clock Dr. Scafe will continue the series as follows: Monday, "The King Tempted"; Tuesday, "The King Standard"; Wednesday, "The King's Authority"; Thursday, "The King's Reception"; Friday, "The King Victorious"; Tuesday to Friday afternoon at 3 o'clock Dr. Scafe's special theme will be "The Science of the Holy Spirit."

St. Andrew's Will Honor Lord's Day

Fourth Commandment is Basis of Sermon by Rev. H. F. S. Luttrell

Tomorrow morning at St. Andrew's Presbyterian Church, Douglas Street, the minister, Rev. H. F. S. Luttrell, B.A., will take as his sermon subject, "God's Time," based on the fourth commandment. A special offering will be received in aid of the work of the Lord's Day Alliance. In the evening Mr. Luttrell will again be in the pulpit, and the subject will be "The Gospel in the Second Psalm."

Change Likely in Election of Next Primate

The next Primate of the Church of England in Canada will be elected by popular vote of the General Synod from among the twenty-eight members of the House of Bishops, instead of as at present by the House of Bishops from the four Metropolitans of the Church. This, according to this week's issue of The Canadian Churchman, is unofficially reported as the finding of the special committee on Primacy as submitted to the recent meeting of the House of Bishops at Ottawa.

The election of a successor to Archbishop Matheson is delayed for one year, Archbishop Worrell, of Nova Scotia, to be Acting-Primate in the interim.

Bible Institute, Chicago, will address the children.

Services tomorrow at St. Paul's Garrison Church are as follows: Holy Communion, 8 o'clock; Eucharist, 10:30; Evensong and sermon, 7 o'clock. Preacher, the rector, Parsonage and friends of St. Paul's are asked to rally to the Thanksgiving Festival, to be kept on Sunday, October 12, and days following.

"The Penalty of Unfruitfulness" will be the sermon subject of Rev. W. R. Brown at James Bay United Church, corner of Menzies and Michigan Streets at 7:30 o'clock, chosen for the Harvest Thanksgiving services. The soloist will be Jarvey Dogson. Other special numbers will be rendered by the choir under the leadership of Mr. Justin Gilbert. The story sermon for the children will be entitled, "The Street That Was Called Straight." Harvest Home will be celebrated in a fitting manner at the Equinox Naval and Military United Church at 10:30 o'clock, when Rev. W. R. Brown will speak on "The Fruits of the Spirit."

The Society for Psychic Research meets in Temple Hall, North Park Street, Sunday at 3 and 7:30 o'clock, when Mrs. Woodcock will talk on "Spiritualism." At the close there will be messages by Mr. Woodcock. Weekly message circle Monday at 8 o'clock.

The monthly meeting of the Ministerial Association will be held Monday at 10:30 o'clock in the Y.M.C.A. The following services will be held tomorrow in St. Saviour's Church: Choral Communion at 11 o'clock and Evensong at 7 o'clock. The rector, Rev. Edwin Moss, will be the preacher throughout the day. The Sunday school is now in full swing, commencing each week at 10 o'clock. Harvest Thanksgiving services will commence next Friday at 8 o'clock, when Rev. F. Conley, vicar of Royal Oak, will be the preacher. Thanksgiving services will continue throughout Sunday, October 12.

Dr. R. M. Stevenson, whose recent sermons have attracted considerable attention, not only in Victoria, but also throughout the city, as evidenced by the large numbers in attendance, will be heard at both services in St. Paul's Presbyterian Church on Sunday. The seven parables recorded in the thirteenth chapter of Matthew will be the theme at 11 o'clock. In the evening at 7:30 o'clock, "Modern Scholarship Versus Divine Revelation" will be the topic.

Rev. Hugh Nixon, pastor of Fairfield United Church, who was a commissioner from the Presbytery of Victoria to the recent meeting of the General Council of the United Church at London, Ont., has returned home and will take both services tomorrow.

Tomorrow at the morning service in Knox Presbyterian Church (Stanley Avenue and Pembroke Street), when Mr. Thomson will be the preacher, will be observed. Both morning and evening services are to be conducted by Rev. Charles Thomson.

Rev. O. M. Sanford has returned from attendance at the United Church General Council at London, Ont., and will preach morning and evening at Victoria West Church. The annual Rally Day service will be held at 11 o'clock.

The annual Harvest Thanksgiving service at St. Mary's, Metochion, will be held on Sunday, October 5, at 11 o'clock. Rev. Canon Hinchliffe will conduct the service. A "Harvest Home" has been arranged for Tuesday, October 7, in the Metochion Hall. Supper will be served at 7 o'clock, after which there will be an entertainment, including a lantern slide lecture by J. Hostie, Esq., his subject being "The Cariboo Road."

Divine service will be conducted at the Gorge Presbyterian Church, Tillicum Road, tomorrow at 11 o'clock, and at Eskikee Presbyterian Church, corner of Harriett and Lurline Roads, at 7 o'clock. Rev. A. O. Thomson, B.D., the minister, will conduct the services at both churches. Prayer meeting Wednesday, when Mr. Thomson will be the speaker, will be held at 7 o'clock. The subject of his lecture on "Modern Religious Liberalism and Its Effect Upon the Christian Church."

The following services will be held at St. Mark's Church, Cloverdale, tomorrow: Holy Communion at 8 o'clock. Holy Communion and sermon at 11 o'clock, and Evensong at 7. Rev. O. L. Jull, vicar of the parish, will take for his sermon subject in the morning, "Why Trouble the Heavens?" and at Evensong will speak upon "A Light in the Darkness." Next Friday Harvest Thanksgiving services will commence and continue the following Sunday.

Rev. Dr. Camp, former pastor of First Presbyterian Church, will preach in the morning at the Douglas Street Baptist Church, Home and Thanksgiving services, and the minister, Rev. F. W. McKinnon, will speak in the evening on "Love's Longing." On Monday at 8 o'clock, and at Evensong will be an entertainment, with a programme of music and an address by Rev. G. A. Reynolds, of First Baptist Church. An open session of the Sunday school will be held at 3 o'clock, when Rev. Dr. Childs Scafe, of the Moody

LATE LEADER IS HIGHLY PRAISED

Church Organ Carried Eulogistic Editorial of the Late Rev. Dr. W. T. Gunn

The following extracts from an editorial in The New Outlook, which appeared a few days before the death of Rev. Dr. W. T. Gunn, ex-Moderator of the United Church of Canada, are indicative of the attitude of this church toward its late leader:

"No man ever retired from a responsible and difficult position in the Christian Church carrying with him the love and high esteem of his entire constituency to a higher degree than did Dr. W. T. Gunn when the other day in the process of time he became the ex-Moderator of the United Church of Canada."

"When Dr. Gunn was called to this high office his health was not of the most rugged kind, and many of his friends wondered whether he would be able to carry the load that was laid upon him. But with singular courage and the most complete sense of mission he gave himself up to the duties of his office and never once through the two years did he fail or falter in the performance of every task which he felt to be his. He has set an example of energy, persistent faithfulness and high courage that would tax the devotion of many a younger and more robust man to follow."

"The retiring Moderator has shown throughout all his term of office wisdom and sound judgment of a quite unusual quality. Utterly lacking in any show of outward dominance, he has nevertheless given the very finest and most effective leadership by his quiet conviction, that could yield if yielding were justified, but that could be very firm if the occasion demanded it. He has shown a great instinct for peace and harmony within his Zion, and the great effort of his ministry as Moderator has been in the interests of mutual understanding and fine fellowship."

SERMON AND MUSIC TO FIT COMMUNION

Rev. G. F. Fringle to Preach at Night on Beloved Apostle—Dr. McRae Leads Young Men

The Sacrament of the Lord's Supper will be celebrated at Centennial on Sunday morning. Members were received by the season and congregation at the preparatory service Friday evening. The pastor will take as his Communion sermon theme, "The Furniture of God's House." In the evening the series on "The Twelve Disciples" will be continued. "The Radiant Morning" (Woodward) will be given as the anthem in the evening. Miss Gladys Marchant will sing "There Were Ninety and Nine." Miss Marchant is a valued member of the church choir and has a voice possessing rich qualities of tone and sympathy.

Dr. A. O. MacRae will meet with his young men's Bible class at 2:30 o'clock in the church office.

United Church Commissioners Had Busy Week

PRESENT status of the United Church of Canada, as shown at the meeting of the General Council in London, Ont., will be reviewed in tomorrow's issue. The high lights of one of the more important ecclesiastical gatherings of the year will be touched upon.

Two notable visitors will be welcomed at the week-end by the congregation of the First United Church. At the morning service tomorrow Rev. J. H. Arnup, D.D., of Toronto, foreign mission secretary of the United Church, will preach in the morning. Dr. Arnup is well known as a highly inspirational speaker. As he recently visited Japan and China he is expected to give some impressions of mission work in those lands.

On Monday evening, young people and the public in general will be addressed by Rev. J. A. Findlay, D.D., of Edinburgh, who brought greetings to the United Church at the recent meetings at London, Ont., from the Church of Scotland.

DR. C. DAVIES TO TALK ON RUSSIA

City Temple Pastor to Review History and Aim of Soviet System

"Russia, Today and Yesterday," will be the theme of Dr. Clem Davies from the pulpit of the City Temple on Sunday evening. The intense interest of the entire world now being focused on Russia makes it essential for all thoughtful people to be fully acquainted with the history and intention of the Soviet system and its possible effect on the rest of the world. In the morning Dr. Davies has for his sermon topic, "In Remembrance of Me," being another lesson he will draw from the Passion Play at Oberammergau.

Eileen Bennett, radio soloist, will sing "Just for Today" (Abbott) at the evening service, the choir anthem being "As Pants the Hart," by Mendelssohn. The morning anthem will be "Hear, O Lord" (Goss). Advance announcement is made concerning the entire tour lecture to be given by Dr. Davies on his trip through the Mediterranean, Europe and the Homeland, under the title, "Modern Innocents Abroad," at the Royal Victoria Theatre on Wednesday, October 22. The lecture will be under the distinguished patronage of His Honor the Lieut.-Governor and Miss Mackenzie, who have expressed their intention of being present. The lecturer will be assisted by Frank H. Partridge and the Victoria Girls' Band.

BREAKING THE BARS OF HABIT WILL BE DR. BARTON'S TOPIC

On Sunday evening at 7:30 o'clock the Progressive Thought Temple, 935 Pandora Avenue, Dr. Barton will take for his topic, "Breaking the Bars of Habit." Tuesday evening at 8 the subject for the health lecture will be "How to Overcome Digestive Disturbances." Diagnosis will be given at the close of the lecture. These lectures are proving very popular and beneficial to all who attend.

Winnipeg Wheat Advances To Close Ten Cents Above Low Record Last Monday

WINNEPEG, Oct. 3.—Wheat-traders tonight stayed a record week that promised to end just ten cents higher than it started. For five successive days, quotations on the Chicago market had steadily climbed, right from the record low set when October wheat touched 68 cents on Monday. Today, October

And the other futures made parallel gains.

Just after the market finish today, dealers into the old listings of the market at Winnipeg found a record that had not been broken. It was thought that the 68-cent October contract was the highest ever for the futures. But officials here now uncovered a mark of 67 5/8 cents set by December wheat last in September, 1906, in the first year of futures trading at Winnipeg.

DOMINION BOND
ISSUE REMOVED

Announcement Made in New
York Is Not Denied by
Officials at Ottawa

TO YIELD 4 1-2 PER CENT

NEW YORK, Oct. 3.—The Herald-Tribune says it understands arrangements for the largest foreign Government bond offering placed in the United States market this year have been virtually completed by a banking group headed by Chase Securities Corporation and its newly-acquired affiliate, Harris, Forbes & Co., who will make public offering soon of a new issue of \$100,000,000 Canadian Government 4 per cent bonds maturing in thirty years.

The public offering, says the Herald-Tribune, is expected to be made at a figure that will yield the investor between 4.40 and 4.60 per cent.

OTTAWA, Oct. 3.—Officials of the Department of Finance today declined either to confirm or deny a news dispatch from New York that negotiations have been completed for a new issue of Canadian Government 4 per cent bonds, to the amount of \$100,000,000.

As stated in the dispatch, Canada has bond issues totaling \$123,000,000 which will mature within a year. On December 1 next bonds to the sum of \$45,000,000 will mature. Four months later, on April 1, 1931, there are maturities totaling \$25,000,000. Next October a large issue of \$53,000,000 falls due. Up to the present time there has been no announcement as to how the Government proposed to meet these maturities, although the matter has doubtless been receiving careful consideration.

There is, of course, no particular hurry about the bonds, which mature in October, 1931, but if the Government saw a good opportunity for obtaining funds now, it would probably act.

HOME OIL PRODUCTION

VANCOUVER, Oct. 3.—Actual production from Home Oil Company wells, Turner Valley, during September was 18,388 barrels of naphtha and 476 barrels of crude oil, according to figures released here by the Home Oil Company officials. As September was only a thirty-day month, production on a thirty-day month would be approximately 19,000 barrels.

Miniature golf has become such a craze in England that equipment factories are employing hundreds of men, and one plant alone is turning out \$125,000 worth of sets a week.

Disarmament

OF BUSINESS

IS ADVOCATED

U.S. Manufacturer Would

Have Nations Meet to Dis-

cuss Tariff Situation

WASHINGTON INVITED

TO CALL CONFERENCE

BY IRVING T. BUSH

President of the Bush Terminal Company,

an international export corporation.

(Continued from Page 1)

What the world needs today is

an economic disarmament conference.

While I would not presume to

tell the President of the United

States what he ought to do, the call

for such a conference might well

come from Mr. Hoover.

I have just returned from an ex-

tended trip through Europe, and

I saw there impressed upon me

the fact that the United States

must take the lead in any pro-

gram for economic peace.

I hasten to explain exactly what

I mean when anyone can name

me of favoring the abolition of

tariffs.

Europe got busy with tariff agita-

tion immediately after the United

States raised rates considerably.

As European countries threaten to

follow the American lead and erect

higher barriers, the United States

should be the logical country to sug-

gest a conference, the purpose of

which would be the rationalization

of tariffs on a co-ordinated scale.

I realize that this is a revolution-

ary proposal, and that a lot of

private and professional scoffers will

arise to hoot at it. But in my opin-

ion, such a conference holds the

greatest hope for the future of for-

eign trade. Thirty years ago the

suggestion that a group of men

should sit down at tables and talk

out the problems of competitive

armaments would have appeared

fantastic. We have become accus-

tomed to seeing such matters settled

in a sane and sensible manner.

Surely this is the "new" method

of views. Why could not the states-

men and business leaders of the

world do the same thing with

economic questions?

I would like very much to see

the present administration at Wash-

ington call together the Govern-

ments of all nations for such a

conference. The time should be

the right direction. The time should

be as soon as possible—the place,

Washington.

MUNICIPAL ELECTION

DEVELOPS INTO RIOT

ISTANBUL, Turkey, Oct. 3.—

Municipal elections at Kariyaka,

Istanbul, today developed into a

riot of stone throwing and

shrieking when

trouble began when partisans of

the two main parties attempted to

prevent the women from voting for

candidates of Fethi Bey's new Lib-

eral party. There were no deaths,

but many were injured from the

women's attacks with rocks and

finger nails on the aggressors.

The town's entire police force was

called out to quell the riot, and the

elections were ordered discontinued.

If anyone ate his food uncooked,

said a European scientist, the nor-

mal span of life would be 140 years

instead of seventy.

HAMBONE'S MEDITATIONS
By J. P. Alley

"LIBRA"
If October 4 is your birthday, the best hours for you on this date are from 8 a.m. to 10 a.m., from 1 p.m. to 2 p.m. and 7 p.m. to 8:30 p.m. The danger periods are from 10:30 a.m. to 11:45 a.m. and 4 p.m. to 5:30 p.m.
Your character will be tested on this date—follow your own conscience and all will end well. An undercurrent of deceit and treachery. The astrological influences will set you in a working mood, and much will be accomplished. Keep clear of adventurous people!
The child born on this October 4 will have a pugnacious and a know-it-all nature. It will find its level in the University of life, and not before. It will have an all-round capacity, a boundless vitality and considerable ambition. It will have a love for adventure.
You desire very much to be "it" at most places and occasions, and you do not accept a lesser role with any degree of grace. You would rather be a big frog in a little puddle than a little frog in a big puddle.
The restlessness of your spirit forbids your falling into any rut of contentment. You plan for that day when you will settle down and refuse to struggle, strive or worry any more, but that time will never come. You are a born fighter, and you would be a very unhappy retired soldier. You are a little too aloof, too much of an intellectual snob to be a real man or woman of the people. You can step up out of your class, but you grudgingly step down.
You are a facile writer and speaker, and a convincing one. You exaggerate a little too much to be absolutely sincere—you do love the telling of a good story. You are not, as a rule, a good listener.
You are not a spiritual nature, and you seldom wander in the realms beyond reason. You cannot be called a great or profound reader. Lighter fiction appeals to you as a mind relaxer, as do certain games. Your sympathies are not expansive, although your heart bleeds quickly when those near or dear to you are hurt. You are awkward during your playful moods, and you do not smile gracefully. A dignified "you" is the real you.

WOMEN'S CLUBS BUSY

Women's clubs in London are becoming so popular that they are not only growing rapidly in number but found themselves too busy to close down during the usual "dead" months of the summer. Some, like the Ladies' Carlton, are in such favor that the question of limiting their membership has been discussed. One of the chief reasons for the way in which women's clubs thrive is that women put them to much greater use than men do their clubs. It is increasingly becoming the practice for women to use their clubs for wedding receptions, while the special suites are often booked by hostesses for private parties.
